

How Do I...?

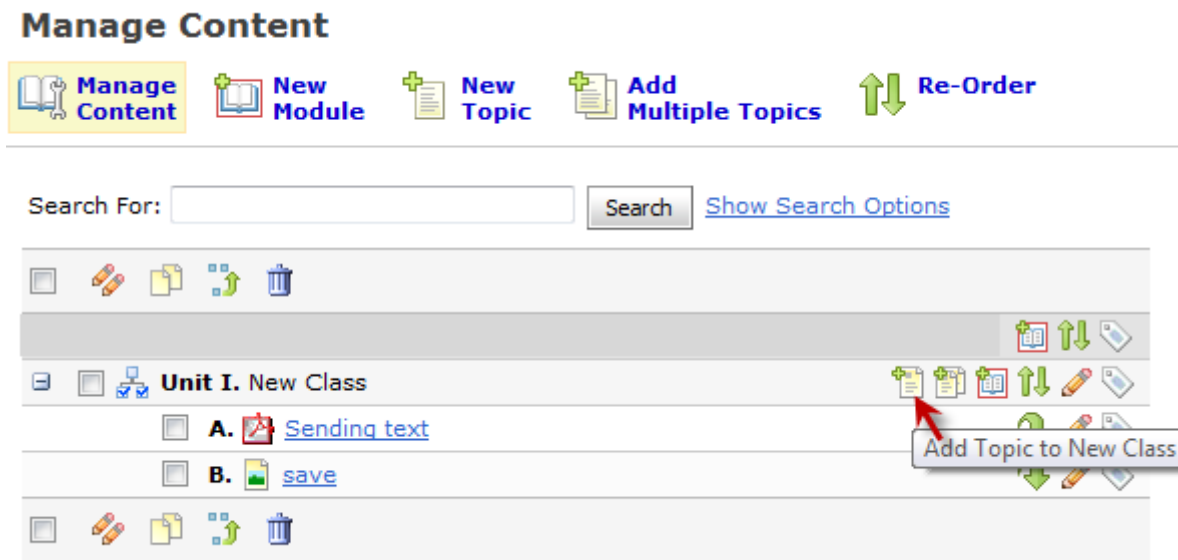

Upload content to my course

1. Access your course

2. Click *Content* on the navigation bar

3. Create a Course module if one is not available

4. Click the *Add Topic to New Class* icon next to the course module

5. Click *Upload New File*

6. Enter a Title

7. Click *Browse* under the Content section and locate your document

8. Click *Open*

9. Click *Save*
