The award winning Dog Training Center of Chester County (DTCCC) specializes in training services for both the family pet and competitive sports dog. Public training classes and membership are open to all dog owners and enthusiasts. DTCCC encourages the study, training and showing of dogs through positive training methods and promotes interest in and appreciation of well socialized and trained dogs. Founded in 1974, DTCCC is Chester County's only dedicated, non-profit dog training center that is member operated. It's also the only organization selected for four consecutive years by the Pennsylvania Federation of Dog Clubs as an "Outstanding Dog Club" in recognition of extensive public service and community outreach programs. Included among the club and member accomplishments are therapy and reading dog visitations, the Rescue Liaison Program that works with local canine rescue and shelter organizations, and training and dog sport demonstrations at regional events. The training center is located at 880 Springdale Drive, Suite 100 in the Whiteland Business Park off Route 30, in Exton, PA, 19341. For directions and additional information on the Dog Training Club of Chester County, please visit the club's web site at [www.dtccc.org](http://www.dtccc.org) or call 610-280-6960.

At Forgotten Cats, our mission is to reduce the unwanted cat population without killing and to stop the suffering of the thousands of kittens born to abandoned, homeless cats.

We do this by working with colony caretakers to trap, sterilize, vaccinate, and return every cat within a colony. We provide the necessary medical treatment for sick or injured feral cats, stray cats, and kittens. We are working to find homes for adoptable cats and kittens. We also provide education about spay neuter, and we are assisting other cat rescue groups with trap, neuter, and return programs.
