

Physics Tutoring Schedule for Spring 2011 in MER 125

- Each Tutor offers one hour of free tutoring per week (not per student). After that one hour, they reserve the right to charge for tutoring. A fee would be agreed upon between the student and the tutor.

For students whom are not free during the times below, you email any tutor for other hours, or you may call Mike McCauley at 610-301-1752 for tutoring in all PHY 100 level courses. Please give him advanced notice of 24 hours before you want to meet.
