Special Program Linkage Supplemental Application Instructions

Class Entering 2010

General Admissions Requirements and Instructions for Completion of the Special Program Supplemental Application

A complete application requires the following items to be sent to each undergraduate institution to which you are applying:

- A completed Undergraduate Application sent to each individual college/university
- A completed Supplemental Application from the College of Medicine (this document) for each program (see the list of schools/programs in question #4)
- A high school transcript with a high school profile
- A letter of recommendation from a Science Teacher or Guidance Counselor
- Official SAT or ACT report
- A copy of your resume
- Activation and Processing Fee of \$75 payable online or by check when the College of Medicine notifies you of receipt of your completed application via email. ***Please note only one fee is required regardless of the number of programs you are applying to via Drexel University College of Medicine***

Instructions on completing the College of Medicine's Supplemental Application:

- Items 1 and 2 : Self Explanatory
- Item 3: If class rank is not available, estimate the class percentile. For example: top %5, top 10%, top 20%, etc.
- Item 4: Please check off other joint programs you have applied to via Drexel University College of Medicine in addition to the this one
- Items 5 and 6: Self Explanatory
- Items 7 – 14: You may include additional items numbered clearly by question, on a separate sheet of paper as needed.
- Item 15: Essay of Intent: Use the available page to neatly print or type your essay. Please do not exceed one page.

Please note that all materials outlined above must be sent to the undergraduate institution(s), not to the College of Medicine.
