

West Chester University Fee Waiver Policy

West Chester University only recognizes the fee waiver form supplied by the College Board SAT Program Fee Service. Due to verifying financial hardship, the Office of Admissions is unable to accept any other fee waiver forms or individual requests from students or school counselors. If you or your school counselor have questions regarding this policy, or would like to appeal this decision please have your school counselor contact the Senior Associate Director of Admissions, Sarah Ventimiglia-Freed at (610) 436-6959 or sventimiglia@wcupa.edu.
