

Travel to West Chester University From the Philadelphia Airport via Rainbow Shuttle Service

1. Make sure you know at which terminal your plane will be arriving - the terminals at the Philadelphia airport are listed as A , B , C , D , and E.
2. Call **Rainbow Shuttle Service** to make a reservation for shuttle service from the airport to West Chester University. Reservations must be made at least 24 hours in advance. There is no guarantee that you can be picked up at the airport if you do not have a reservation.

The phone number is **610-696-6060** or **1-800-322-4470**

3. When you arrive at the airport you will need to call **Rainbow Shuttle Service** and let them know you have arrived. When they answer the phone you will need to tell them:
 - how many of you there are to be picked up
 - which terminal you will be arriving
 - where you are going (West Chester University)
 - if you have more than two pieces of luggage each (they need to know this if you have a lot of luggage)

4. They will tell you when they can pick you up and that you need to go to ZONE 6 or 7.

At Philadelphia Airport, outside of the luggage pick up area there are signs listing the ZONE numbers. ZONE 6 and 7 is for pickup by shuttle services - this will be easy to find.

6. The cost per person will be about \$35 U.S. dollars - so you will need some money.

Suggestion - the person who makes the call to Rainbow Shuttle should be the person who speaks the best English. When you call Rainbow have the person who calls ask if there is a special rate available if all four of you are together and going to the same place. They will not give a special rate for 1 or 2 people but might for more.
