ENV__	Env Health Elective	3			
BIO484	Epidemiology	3			
ENV__	Env Health Elective	2			
Total Credits:		14	Total Credits:		12

*This curriculum is only a sample. Students should make sure they also satisfy writing emphasis (W) with their required and elective courses. In this curriculum, Diverse Communities (J) and interdisciplinary (I) requirements are met with HEA110 and ENV102, respectively. Frequently, summer session courses are offered. Flexibility is encouraged to meet individual student needs and desires. Students are encouraged to meet with their academic advisor each semester.
