

Dr. Jeffrey Harris

Jeffrey E. Harris is Didactic Program Director at West Chester University of PA for the nutrition and dietetics program, and is a full professor in the Department of Health. He is originally from California. Jeff earned an MPH in Health Education and Nutrition, and a DrPH in Preventive Care at Loma Linda University School of Public Health, Loma Linda, CA. During his 27 year career in dietetics he has served as a faculty member, maintained a clinical nutrition practice, and conducted research and served as a research consultant in a variety of settings. Jeff has published scholarly articles in the areas of research education, food safety, nutrition policy, and obesity.

Currently he serves on the statistical team of the Board of Editors for the Journal of the American Dietetic Association. Dr. Harris has taught research methods and biostatistics in the graduate Masters of Public Health program at West Chester University. Last year he completed a project with the Centers for Disease Control and Prevention developing community measures for the conduct of research in the prevention of childhood obesity.
