

Dr. Mareile Koenig

Educational Background

- B.S., Southern Illinois University (1970)
- M.S., Southern Illinois University (1975)
- Ph.D., University of Illinois (1982)

Professional Interest & Research Areas

- Autism
- Child Language Development
- Applied Behavior Analysis
- Cross-Disciplinary Collaboration

Dr. Koenig has extensive clinical experience in supporting children with Autism Spectrum Disorders through home-based and center-based models involving both behavioral and developmental evidence-based approaches. Her research interests include the professional preparation of SLPs for autism treatment; cross-disciplinary collaboration; and issues related to the communication, social cognition, and behavior of children with ASD. Dr. Koenig participated as a Co-Facilitator of the Education/Certification Sub-Committee of the Pennsylvania Autism Task Force and she serves as a consultant to support groups for families of children with autism. She is also a collaborator in the cross-disciplinary Autism Certification Program at West Chester University.
