

## HOW TO APPLY FOR A PAWLP SUMMER YOUTH PROGRAM SCHOLARSHIP

---

*All scholarship awards are based on financial need.*

FULL SCHOLARSHIPS	PARTIAL SCHOLARSHIPS
Full scholarships are available when local businesses or funding sources contribute them. Some Home and School groups in sponsoring school districts offer scholarships to our YW/YR program. Please contact your local Home and School Association.	Partial scholarships, usually for half the program fee, are available for each session. The number of scholarships available is limited and depends on funds acquired and session enrollment.*

**To apply for a PAWLP scholarship, complete the registration form. Attach the following 3 items, and send or fax everything to the Youth Programs office. All materials must be received by June 8, 2012 in order to be considered.**

1. Completed Registration Form.
2. A personal letter (1-2 pages) stating why you need a scholarship to send your child to our program.
3. A copy of your most recent Federal income tax return. (page 1 only)

Every scholarship application received by the deadline will be considered. Decisions will be made by June 15, 2012. Scholarship winners will be contacted by telephone on June 15, 2012.

**NOTE: All requests must be in writing.**

*\* If you are applying for a partial scholarship but wish to be considered for a full scholarship if one is available, say so in your personal letter and complete all 3 requirements above.*

*In the event your child does not receive a scholarship, we will send a letter regarding complete payment. Since your child will already have a place reserved in our program, it is essential for you to respond to this letter immediately. If your scholarship application and registration are received by the deadline date and you do not receive a scholarship, no late fee will be assessed.*
