Department Teacher/Scholar Models (DTSMs):
All department DTSMs (except for Chemistry, Special Education and Professional and Secondary Education) were collected from departments and reviewed for content by the PTW committee. A table was created and distributed to college Deans and department Chairs. Once feedback is provided to all department, they will have the opportunity to make changes to them. The DTSMs will then be accessible to TeP members during the candidate portfolio review process.

D2L site
All members have access to the D2L site to access materials including all DTSMs for review.
