## **10. Commonwealth of PA-State Civil Service Commission**

Civil Service is an employment system that is based on hiring, retaining and promoting employees on their qualifications and ability to do the work. The Pennsylvania State Civil Service Commission administers a merit system for state agencies having civil service employees and for local government agencies that have contracted the services of the Commission. There are approximately 61,000 employees of the merit system working for one of 34 state agencies. An additional 9,000 civil servants work for one of approximately 300 local government agencies also covered under the Civil Service Act through contractual arrangements including Emergency Management Agencies, Housing Authorities, Mental Health/Mental Retardation County Agencies, Children and Youth County Agencies, Drug and Alcohol County Units and Area Agencies on Aging.

A majority of state jobs in the merit system are located in the Harrisburg, Philadelphia and Pittsburgh areas. The remainder are spread throughout the state in such places as: district or regional offices, state parks and forests, highway offices, mental health and retardation facilities, state correctional facilities, public assistance offices, local Job Centers, and state liquor stores. Local government jobs are found in all counties except Philadelphia. Type of Company: State Government. Positions Available: Full Time. Job Targets Sought: All.
