The West Chester University of Pennsylvania Twardowski Career Development Center (TCDC) provides reciprocal use of the services listed below at no cost to:

- Matriculated, degree-seeking and certificate-seeking students from other PASSHE institutions;
- Graduates of the other 13 PASSHE (PA State System of Higher Education) Institutions;
- Students and graduates of other colleges and universities.

Individuals from non-PASSHE institutions must meet the following conditions of reciprocity prior to scheduling an appointment:

- A letter of reciprocity must be submitted from the career services office at the degree candidate/graduate’s college or university. Letters will be accepted via mail, e-mail, or fax.
- This letter must verify the requester’s name and date of graduation or current student status.
- A statement offering reciprocal use of career services to West Chester University degree candidates/graduates is also requested. This statement should outline what services will and will not be available to West Chester degree candidates/graduates.
- Letters of reciprocity received will be stored within SharePoint, in the office documentation library.

Because of a standing agreement between all 14 offices, students and graduates of PASSHE institutions do not need a letter of reciprocity from their home career center.

Letters of reciprocity should be sent to:
