Application Version	

Strengths of the Programs:

Application Component	Notes
Example: Facilitator guide	I love your intentionality that you created a facilitator guide to help the learning be consistent regardless of the facilitator.

Necessary Changes for Co-Curricular Approval:

Application Component	Changes Needed (Y/N)	Example	Additional Comment
Brief Description for Program Catalog		All members of the WCU community are invited to explore strategies and resources to help balance their professional, academic, and social lives. Registration will occur in RamConnect.	
Focus Areas			
Learning Outcome #1		Students will identify one tool they can utilize to increase their well-being.	
Learning Outcome #2			
Learning Outcome #3			
Learning Goal			
Assessment			

Opportunities for Future Improvements:

Application Component	Notes
Example: Facilitator Guide	Is it possible to add a notes section to your facilitator guide and include additional information and definitions for some of the topics discussed in the workshop to support facilitators?

Notes from Feedback Conversation/Email (if applicable):
