Student Teaching Check List For Career Development

- **Focus on Student Teaching!** This is your most important “task” An excellent student teaching experience and a good job search plan will serve you better than an average student teaching experience and a great job search!
- **Resume** – Use our online sample booklet and do one now! You can upload it to College Central Network (see below) for a critique, and the distribute it to everyone you know!
- **Job Fairs** – A “necessary evil” – check our office website for upcoming events such as job fairs. A list is available at: www.udel.edu/CSC/maee/jobfair.htm
- **Post on CCN** (WCU resume bank) www.collegecentral.com/wcupa
Several districts and schools will be coming to campus for interviews, and this is the only way to sign up for the meetings! This site will keep us in contact with each other, serve as a home for your resume and provides a variety of resources – it only takes a few minutes to register.
- **PA Standard Application** – doing this first will save you a lot of time when you go to complete the online applications such as those on our website....
- **Electronic Applications** (PAREap, PAEducator, etc.) – many links available on our office website, you will want to complete the Standard Application first!
- **Network!** Make sure that everyone you know knows that you are looking for a position! (Hint...you will find a lot of WCU Alums in the schools where you student teach...they can help!)
- **Remember US!** We can not only help you while you are a student, but also as an alumnus! Connect with us in person or virtually through our website www.wcupa.edu/cdc
