West Chester University

Revised September 2009

INTRODUCTION

West Chester University's Religious Life Council was formed to help meet the spiritual needs of students through a cooperative working relationship between religious organizations and the University. The mission of the group is based on the belief that a student's spiritual life is an important aspect of overall intellectual and personal development.

The council, comprised of representatives from campus religious student organizations, representatives from community denominations serving WCU students, and University administrators, coordinates a variety of functions. The goals of the council are as follows:

- To develop a communications network between the University and religious organizations for the purpose of sharing information about services and programs;
- To develop a comprehensive program to acquaint students with religious organizations on the campus and in the community; and
- To serve as a resource group for the University on matters of a religious nature.

In an effort to acquaint the University community with the many and varied religious services and programs offered both on and off campus, the Religious Life Council, under the auspices of the Division of Student Affairs, has developed this directory. It is the council's hope that the following information will be of value to those seeking affiliation with a particular religious denomination and/or involvement with a religious student organization.

UNIVERSITY RELIGIOUS STUDENT ORGANIZATIONS

Campus Crusade for Christ:

Campus Crusade for Christ is a movement of students where the message of Jesus has captured our hearts, transformed our lives, and caused us to engage with our community here at West Chester University and around the world. We are a group of college students from various backgrounds growing in our understanding of Jesus' message - that God loves you and wants you to know Him personally - and helping others comprehend it as well. Whether it's at our large group meetings, Fall Retreat, small group Bible studies, one-on-one discussions, playing basketball, or gathering at Starbucks, we not only share the message of Jesus, but share our lives as well. Come and see for yourself! You just may be surprised at who you meet there. Check out our Web site at www.wcucrusade.org.

Catholic Newman Student Association/Center:

We are the Catholic Church on campus. We gather each Sunday during the semester for Mass at 5:30 p.m. and 9:00 p.m. to be nourished by Jesus in the Eucharist and to be inspired by His divine word in the Bible. The Newman Center is located just one block south of Schmidt Hall on South New Street. It's open Monday through Thursday, 10:00 a.m. to 10:00 p.m.; and Sunday 3:00 p.m. to 10:00 p.m., with extended hours during finals week. Everyone is welcome to spend time here. Our chapel is available for quiet prayer. The library and computers are available for study. The kitchen and lounge, with fireplace and television, are available for relaxation. Activities include WORD (small, faith-sharing groups that meet all around campus), choir, prayer, discussion nights, Christian service projects, retreats, and a variety of other spiritual, educational, and social programs sponsored by the Catholic Newman Student Association. CrossSeekers Campus Ministry:

Relationships are at the core of every human on the planet, and CrossSeekers Campus Ministry aims to make those relationships at West Chester University as healthy and strong as possible. At the heart of CrossSeekers is a twofold desire: (1) to have students and others in the academic community come to know Jesus Christ as Savior and Lord and (2) to equip those who know Christ to make Him known to those around them. CrossSeekers is committed to sharing the story of the gospel, engaging students in ministry and missions, growing students in Christian discipleship, and involving them in the work of the church. To that end, we are active on campus through weekly gatherings, Bible discussion groups, fellowship activities, retreats, and a whole lot more.

CrossSeekers Campus Ministry is a part of the largest network of campus ministries in the country (Baptist Collegiate Ministries) and is sponsored locally by the Greater Philadelphia Baptist Resource Network, The Journey and Paoli Baptist Church, and nationally by the North American Mission Board of the Southern Baptist Convention.

The organization stresses both social and religious activities. These activities take place several times a month and have included bimonthly Torah study, connecting students with services at local synagogues, bagel brunches, speakers, and holiday celebrations such as a chocolate Seder and a Chanukah party. We also stress educational activities concerning Israel and other Jewish matters. Our students are a part of Hillel in Philadelphia (HIP), along with Temple and Drexel universities, and are welcome to participate in all HIP activities. Impact :

The Impact Movement takes the truth of Jesus Christ to the campus, community, and world by producing leaders of African descent who are spiritually focused, financially responsible, and morally fit. We are located on a variety of campuses to show the love of Christ to anyone. We are being equipped daily by Jesus who is calling us to show the world that we can have life that is not defined by the world we live in. We do try to encourage African Americans so that the legacy of Christ can remain in our culture. However, we are open to any culture that wants to come out and work alongside us because this is what Christ wants. Come all who want rest. Check out our Web site at www.impactmovement.com.

We believe that we, as a community of adult Christians who belong to a broad diversity of church traditions, have been called and gifted by God to carry out this ministry. We do this by building personal relationships with young people, by sharing our lives and participating with them in a variety of experiences through which the Gospel can be heard and experienced. Our weekly meetings are a time of fun, fellowship, teaching, and encouragement in our personal walks with Christ as students are prepared and equipped to go into the local high schools with the love of Jesus Christ.

The Baha'i faith teaches that all religions of the world come from the same God, and that there is only one religion, that being the religion of God. God sends different divine teachers at different times. Each of these divine teachers, otherwise known as prophets, such as Krishna, Moses, Buddha, Christ, and Muhammad, teach that He will return. For Hindus, it is the reincarnation of the Lord Krishna; for Buddhists, the arrival of the Fifth Buddha; for Christians, the return of Christ; and for Muslims, the coming of the twelfth Imam. Baha 'u 'llah, the manifestation for the Baha'i faith, claims to be the Promised One of all religions.
