

How Do I Remove Old Courses from My Course List?

Courses cannot be removed, but you can hide old courses from your current course menu.

1. Click on the **Pencil Icon** within your **"My Courses"** module on your Blackboard page.

2. To remove the course from your display, uncheck the boxes under the **"Display Courses"** and **"Display Announcements"** columns next to the name of the course in the **"Modify Courses"** List section.

3. Scroll down and Click the **"Submit"** button and your done.
