Students may schedule for any or all summer sessions at the same time. The scheduling process is complete only when the University receives payment.

Some courses and workshops do not follow the standard session dates. These are noted in the course listings. Students who register for these courses must do so during the scheduling period for the session *in which the course begins*.

Course registration does NOT automatically sign students up for housing. For details, see page 3.

Academic Information

Drop/Add

During the Drop/Add period of each session, a student may drop a course, thereby receiving no grade for the course, by filing a drop/add form in the Office of the Registrar. WCU students may drop by accessing their class schedule on myWCU.

Withdrawing from a Course

A grade of “W” will be entered on the academic record of any student who withdraws from a course during the following periods:

First Five-Week Session..... May 25 – June 10

Second Five-Week Session June 29 – July 15

Post Session August 2 – August 11

After the above dates, students may not withdraw selectively from individual courses. They may, however, withdraw from the University by contacting the Office of the Registrar. The University will record a “W” for all courses in which the student is registered.

A student may not receive a “W” during the last two days of classes. If the effective date of official withdrawal is during the last two days of classes, a letter grade will be assigned for all courses in which the student is registered.

Students who stop attending class and fail to drop a course officially can expect to receive a grade of "F" for the course.

A full refund will be issued if the student withdraws either prior to or on the first day of the summer session. Refer to the "Fees and Expenses" section for the complete refund policy and procedure.

Summer Graduation

Students who expect to graduate in August at the end of summer session should contact their major department. August graduates may participate in the May commencement exercises if they file their notice of intention to graduate online. Please reference the list of graduation dates and deadlines at wcupa.edu/registrar/grad_app_timeline.html. If you have not already applied online for graduation, you must apply in person at the Office of the Registrar.

University Regulations and Policies

The same regulations for student procedure and conduct that are in effect during the academic year are also in effect during summer sessions. Academic policies can be found in the Undergraduate Catalog. The Student Code of Conduct can be found in the *Ram's Eye View*.

Access Your Grades Electronically

Grade reports **will not** be automatically mailed. If you need an official copy of your semester's grades for tuition reimbursement, fill out a request form at the Office of the Registrar. You can print a copy of your grades from myWCU.

Summer School Overload Policy

The maximum student load for summer sessions is seven hours for each of the Five-Week Sessions and three hours for the Post Session. Written permission for exceptions to these loads must be obtained from the chairperson of the student's major department. Bring this permission to the Office of the Registrar.

A student should not seek permission to carry an overload if his or her cumulative grade point average is below 2.75.

Important Notes

- The times, days, and location of classes are subject to change.
- Each summer session offering is contingent on adequate enrollment in the course, as determined by the University administration.
- This course schedule is not to be regarded as an irrevocable contract between the student and West Chester University.
- Admission to a summer session does not imply admission for the academic year.
- Students may have someone else register for them with written permission from the student who is being registered.
