Low Vision or Blindness
Documentation Requirements

Students requesting accommodations on the basis of low vision or blindness are requested to provide documentation consisting of:

1. An ocular assessment or evaluation from an ophthalmologist.
2. A low-vision evaluation of residual visual function, when appropriate.
3. Suggestions as to how the disabling condition(s) may be accommodated.
4. All reports must be in narrative form, typed, and signed by the physician.
5. Documentation must be submitted on the official letterhead of the professional diagnosing the disability.
6. Chart or clinic notes are not acceptable as documentation.
