West Chester University Student Complaint Process

The goal of West Chester University’s student complaint processes is for student complaints to be resolved internally. It is expected that students will follow the appropriate policies and procedures as outlined in the current University Undergraduate and Graduate Catalogs or the Student Handbook. West Chester University has designated a Student Ombudsperson to educate students about policies, procedures, and protocols in an effort to empower them to address issues, concerns, conflicts and discrepancies in an efficient, timely, and private manner.
