

West Chester University will upgrade LyndaCampus to LinkedIn Learning on Wednesday, July 31, 2019

LinkedIn Learning which acquired Lynda.com, has the same great content but now provides an even more personalized experience.

1

GET STARTED ACTIVATE YOUR ACCOUNT

- After the upgrade is complete, you will receive an email with directions on how to activate your LinkedIn Learning account
- If you have been an active LyndaCampus user, your learning activity, history, and completion certificates will be transferred to LinkedIn Learning automatically.
- LinkedIn Learning is separate from the LinkedIn professional networking platform. When you activate your account, you will be provided with the option of 'connecting' your LinkedIn profile (if you have one already) to your Learning profile

2

Frequently Asked Questions

How do I activate my LinkedIn Learning account?

After the upgrade, you will receive an email with directions and a link to activate your LinkedIn Learning account.

Do I need to connect my LinkedIn profile?

No. You will have the option to connect your LinkedIn profile or create a separate Learning account during activation. If you choose to connect your LinkedIn profile, you'll receive additional benefits such as personalized recommendations for your skills and position, as well as what's trending on LinkedIn Learning based on LinkedIn data. This will help give you a learning experience that's tailor made for your needs.

Will WCU have access to view my LinkedIn personal account activity?

No, WCU will not see your private LinkedIn activity. WCU will only be able to see your LinkedIn Learning activity (such as courses you've completed).

Do I control what is displayed on my LinkedIn profile?

Yes, your LinkedIn Learning activity will not show on your LinkedIn profile unless you choose to add a completed course.

Is the content the same on LinkedIn Learning as on Lynda.com?

Yes, all of the same great content you know from LyndaCampus (Lynda.com) will be on LinkedIn Learning.

What happens to my LyndaCampus history, in progress and bookmarks?

When the upgrade is complete your history, in progress and bookmarks will automatically be in your new LinkedIn Learning account. Playlists are now referred to as "collections".

Can I continue to use LyndaCampus while the upgrade is going on?

Unfortunately, you'll have to take a small break (we expect it to be completed by Aug 1). We'll finish upgrading your account and send you an email with steps to activate your brand new LinkedIn Learning account.

What if I don't have a LinkedIn account?

*If you do not have a personal LinkedIn account, you will be guided through the steps of creating one when you try to login to LinkedIn Learning. Click on the link below for more info on how to build your LinkedIn profile. **Build Your LinkedIn Profile***

What support is available during the upgrade?

You will have access and email support to the LinkedIn Help Center. For questions specific to West Chester University accounts, email LinkedInLearning@wcupa.edu.
