Brad Flamm, WCU Director of Sustainability, bflamm@wcupa.edu

Sponsors

Bartlett Tree Experts was founded by Francis A. Bartlett in 1907 and is the world's leading scientific tree and shrub care company. Bartlett helps both residential and commercial customers maintain beautiful, healthy trees. Bartlett is dedicated to developing environmentally sound products and promoting their use on our clients' properties. With the Bartlett Legacy Tree Program, Bartlett provides tree seedlings to help with reforestation efforts, and teaches people how to care for trees. <https://www.bartlett.com/>

Michael Dunn, West Chester Borough Consulting Municipal Arborist, mdunn@west-chester.com

Josh Braid, WCU Grounds Department Manager, jbraid@wcupa.edu

Land Studies is certified as a Woman's Business Enterprise (WBE), Minority Business Enterprise (MBE) and Disadvantaged Business Enterprise (DBE)

LandStudies was founded in 1989 on the belief that understanding and working with natural systems, instead of artificially controlling them, provides consistently superior, more stable, and longer lasting results. Our clients appreciate our refreshing approach in contrast to conventional site design solutions which balance stewardship with practicality.
