

Environmental Policy Making in Pennsylvania

A DISCUSSION WITH STATE REPRESENTATIVE DIANNE HERRIN

Join Dr. Ashlie Delshad's Environmental Politics and Policies class this EARTH DAY, April 22nd from 4:30 - 5:30pm!

The class will be visited by State Representative Dianne Herrin who will be speaking on the hurdles one encounters in passing environmental policies at the local and state level, the role of voters and citizens, the most effective ways to contact elected officials, and what she foresees the state legislature will be/should be considering in the realm of environmental policy in the near term.
