

STUDENT LIFE

**Activities, Athletics, Housing,
Organizations, Recreation, Services**

Student life at West Chester University consists of many activities and experiences that support and enhance your academic program. Campus involvement can include joining a club or student organization, participating in campus events and programs, engaging in athletic and recreational activities, volunteering for community service, living in a residence hall, or taking advantage of leadership development opportunities.

In addition to campus involvement, a number of student services can assist you during your college years. Many of these services are coordinated by the Division of Student Affairs, which includes the following departments: Athletics, Campus Recreation, Career Development,

Counseling and Psychological Services, Fraternity and Sorority Life, Office of Student Conduct, Multicultural Affairs, New Student Programs, Residence Life and Housing, Service-Learning and Volunteer Programs, Student Health Services, Student Leadership and Involvement, Sykes Student Union, and Women's Center. Student Affairs also offers services for commuter and off-campus students, and for gay, lesbian, bisexual, transgender, and queer students. In addition, the Marching Band, an activity for a number of students, is affiliated with the School of Music.

Interested students are welcome to contact the following individuals directly for further information:
