### MyLED LightingGuide Scholarship

**About**

MyLEDLightingGuide's scholarship goal is to provide guidance for business, engineering, and environmental science students. We offer this opportunity for all of those students who relate to the goal of MyLEDLightingGuide which includes those listed above.

The winning student will be awarded a $1000 scholarship for their efforts, which can then be used for tuition, books, or living expenses. To be eligible to win, please read below.

**Eligibility**

1. Only students located within the United States. You must be a US Citizen.
2. Must be registered for the Spring 2017 semester.
3. Content must be original and written by you. No plagiarism.
4. Minimum GPA Requirement: 2.5.
5. Military academies are ineligible.

Applicant must be enrolled in a program that is two years in length or longer.

**How To Enter**

Students are required to write a well researched essay with a minimum of 1000 words on one of the following topics:

a. Why converting to LED is good for the country and nation. Think of the economic and environmental reasons on why conversion makes sense.

b. Cost / Benefit Analysis of Converting to LED Lights - What should business owners consider when analyzing the reasons to convert to LED for their businesses. Think in terms of a factory owner, warehouse owner or anyone who spends a lot of money on lights every month.

c. The benefits to the environment of converting to LED. For example, calculate the reduced energy consumption if people convert their light fixtures from Metal Halide to a LED Retrofit Solution.

d. Analyze the existing lighting technologies and rate them in terms of performance, savings, reliability and functionality.

e. How factories and warehouse facilities can dramatically reduce their energy spend by converting over to LED.
2. Submit your essay to scholarship@myledlightingguide.com along with the following information (Due by 21st of December, 2016):

   1. First and last name
   2. Email address
   3. Phone Number
   4. Name of school
   5. Your current major
   6. Current GPA
   7. Essay of 1000+ words on one of the listed topics submitted as a text document.
