# Power Admin Network Technology Scholarship

**About**

Power Admin is delighted to announce the **Power Admin Network Technology Scholarship**. The program will award **$2,000** to a diligent student each year. The scholarship is intended to help young students afford the increasing cost of tuition and help them along the road to a future career in the networking technology/IT field.

**Eligibility**

- Must be a current or incoming student at a University in the U.S.
- Must be able to provide documentation to support enrollment in the University.

**How To Enter**

To apply, please answer the question below by submitting a video to YouTube.com. We want you to be creative! Answers are limited to 3 minutes max.

**What has influenced your decision to pursue a career in the network technology/IT field?**

Now that you know what you need to do to apply, here’s how to do it:

- Like and follow us on Facebook, Twitter, Google+ and LinkedIn
- Record a 3 minute video explaining:
  - What has influenced your decision to pursue a career in the network technology/IT field?
- Publish the video to your YouTube Channel with the following title:
  - **Power Admin Network Technology Scholarship**
- When your video is live, email us at support@poweradmin.com

**Award Amount**

$2,000

**Deadline**

December 15, 2016
