# Rebounder Zone Lymphedema Scholarship

## About

The Rebounder Zone Lymphedema Scholarship was started to award young people living with lymphedema with a bit of financial help to go towards their college studies. Many of our customers suffer with lymphatic related conditions, and this is our small way to give something back to the community of patients and supporters who live with lymphedema every day. While $250 isn’t much, we hope this helps with books or supplements applicants’ other financial support.
