**Health Science: General Studies** – Applicants must have completed an Associates Degree or Certificate program in one of the following areas: Dental Hygiene, Occupational Therapy, Medical Technology, Cardiovascular Technology, or Alternative/Complementary Medicine in order to be eligible to apply.

**Pre-Major** – A student who has completed more than 45 college credits must declare a major. Please encourage students to list a first and second choice major.

**Early Grades/Middle Grades and Dual Special Education Majors** - Must have 27 earned college level credits with a 2.8 cumulative GPA. Students with 48 or more credits must have a 2.8 cumulative GPA and must have achieved passing scores, as established by PDE, on the PA required Basic Skills Test: PRAXIS I (taken before April 1, 2012) or PAPA scores, or CORE. Students may use SAT or ACT scores in place of the Basic Skills Tests. Applicants must also have completed college level English Composition. **Special Education 7-12** - Students with 60 credits completed must have a 2.8 cumulative GPA and must have achieved passing test scores as stated above.

**Communication Sciences and Disorders** - If an applicant has a GPA between a 2.5 and 3.0 they must have at least a 100 level Math course completed with a B grade or better or they must have a 100 level English course completed with a B grade or higher. If they have a 3.0 GPA or higher then we do not need to see specific courses.

**Social Work** - Very limited enrollment space on the West Chester Campus.

**Liberal Studies** - Applicants with 80 credits or more will be asked to interview with the department. Additional applicants may also be asked to interview. There is no limit on the semester hours for students entering the professional studies track. Interview required.

**Mathematics** - students are advised to have as many of the following completed as possible: Calculus I, Calculus II, Calculus III, and Linear Algebra
