Climbing Wall Monitor Position Description

Position Description
Join the West Chester Campus Recreation team at one of the most exciting places on campus. If you have a desire to expose fellow students and patrons of the Student Recreation Center to the sport of climbing in a fun and supportive environment, this role is for you! This role is essential in ensuring that climbers feel welcome and safe utilizing our facility. This role will also provide the opportunity to assist on outdoor climbing trips and other programs offered by the Outdoor Adventure Pursuits program.

Duties
1. Responsible for ensuring a smooth check-in process for climbing wall patrons
2. Maintain a safe climbing environment by monitoring climbers’ crash pad placement, belaying technique, and climbing practices
3. Conduct regular inspection of climbing wall equipment
4. Belay new climbers or climbers without a belay certified partner
5. Instruct belay certification courses and encourage patrons to become belay certified

Required Qualifications
1. Successfully based WCU Belay Certification
2. Certification in CPR/AED/First Aid
3. Maintained safe climbing record
4. Strong interpersonal skills
5. Ability to manage multiple tasks
6. Ability to teach basic climbing skills (belaying, body positioning, crash pad placement)

Preferred Qualifications
1. AMGA Climbing Wall Instructor Certification
2. Experience teaching climbing skills in a gym setting

This is a part-time position starting at $8.50 per hour.
Application Process: Successfully complete the Rock Wall Employment Application and submit via email to Steve Sassaman at ssassaman@wcupa.edu with the Subject Line: First and Last Name – Application. (i.e. John Doe – Application) or to the Front Desk at the Student Recreation Center with a Post-it saying attn. Steve Sassaman.

For any questions, please contact Steve Sassaman at ssassaman@wcupa.edu.
