FEBRUARY

The Period Project

February 13-24, Center for Women and Gender Equity and Student Health Services

Imagine this: You are going about your day and your period comes unexpectedly. You can go home, shower, and get the supplies you need. Now imagine getting your period while homeless. You may not be able to do laundry or shower consistently, let alone afford a box of tampons or pads. Join the Center for Women and Gender Equity and Wellness Promotion as we collect unopened tampons and pads for women and menstruating people in our community.

Drop off sites in Student Health Services, Center for Women and Gender Equity, & Sykes Student Union.
