*(Taken from the West Chester University’s Values Statement. If you believe that you have been the victim of student misconduct, please report it at www.wcupa.edu/conduct.)*
Dear Student:

At West Chester University, our faculty and staff work diligently to maintain an academic community with high standards and expectations designed to foster and support your educational objectives. The University strives to maintain an intellectual atmosphere that provides for the protection of the health, safety, welfare, and property of all members of the University community. To uphold these community standards, the University relies on the enforcement of the West Chester University Student Code of Conduct.

As a member of the University community, you have the RIGHT:

- to participate in all activities of the University, free from unlawful harassment and discrimination;
- to personal privacy except where otherwise provided by the law; and
- to have all proceedings handled consistently and fairly.

Along with those rights, you have the RESPONSIBILITY:

- to respect the rights and property of others;
- to become fully acquainted and comply with University regulations; and
- to recognize that your actions reflect upon not only you, but on the University community.

Failure to maintain the standards of behavior translated in the Student Code of Conduct will result in disciplinary charges. When this occurs, it can adversely affect your status as a student. Should you be found to have violated the Student Code of Conduct, you will face disciplinary sanctions, which include disciplinary reprimand, probation, loss of housing, suspension, or expulsion from the University. In some cases, your parents will be notified of this misconduct as well. All members of the University community have the responsibility of maintaining high standards. I hope that you will work diligently to uphold our standards.

This booklet was developed to highlight procedures and practices of the University Student Conduct program. To be fully aware of individual rights and responsibilities, please review the policies in the Ram’s Eye View Student Handbook, which can be found on the West Chester University website.

Sincerely,

Dr. Zebulun Davenport
Vice President for Student Affairs
Student Code of Conduct

As stated in the University Mission and Values Statements, West Chester University is committed to providing a sound educational environment for intellectual pursuits. In addition, the University is engaged in developing socially responsible citizens, ensuring the welfare and freedom of all members of the University community, and protecting individual rights. Thus, the University is concerned with the quality of student conduct and has adopted rules and behavioral standards for its students.

Disciplinary action may be imposed when a student engages in behavior, on or off University property, that is not consistent with University community standards as defined by the West Chester University Student Code of Conduct. Students at West Chester University are expected to abide by the rules and regulations of the University, as well as local, state, federal, and international laws. This Code does not create, alter, or detract from any rights otherwise afforded under federal or state law. Additionally, the rules and regulations of other institutions will also be applied when students are engaged in academic pursuits at those institutions.

Disciplinary information may be shared with academic programs in order to facilitate their consideration of professional licensure, certification requirements, or obligations. The Student Code of Conduct identifies those acts which constitute unacceptable behavior for students and student groups of the University.

University action may be taken in addition to any action in civil or criminal courts. Students may be subject to University discipline in conjunction with citations or other charges of which the University becomes aware.

The Student Code of Conduct reflects the University community’s concern that students maintain high standards. It guarantees due process and protects the individual freedom of the student as well as requiring accountability for their actions. This document shall be applicable to all students at West Chester University.

The Office of Student Conduct sends all official correspondence through email utilizing the student’s West Chester University issued email address. This is our primary and official form of communication. Students are expected to check their University email daily. Any and all consequences that result when University email is not read or checked regularly are the responsibility of the individual.

University and residence hall guests are expected to follow all University policies. Student hosts are accountable for the conduct of their guests and may be subject to disciplinary action as the responsible party for violations of University policy incurred by their guests. This applies to individuals and student groups.

This Student Code of Conduct is intended to be consistent with other University policies that are referenced herein. Every effort will be made to construe the Code in a manner that is consistent with such policies.
I. Definitions

Except as otherwise provided herein, the language contained in this document shall be construed according to ordinary common usage. Terms used include the following:

Acceptable Use: Demonstrated awareness and sensitivity towards the intent of the University in granting users’ access, the coexisting privileges of other users, privacy interests and freedom from harassment or annoyance, the intellectual property rights of others, and the ownership and confidentiality of data.

Accused: Also known as the respondent, is the individual or group who is alleged to have violated a University policy.

Administrative Withdrawal: Under exceptional circumstances the University may administratively withdraw students from a semester. This is done when the student is unavailable to complete the term withdrawal process due to extenuating circumstances (for example, incarceration or hospitalization of the student). All courses will be given a grade of “W” for the indicated withdrawn term.

Advisor: An individual who may be present to provide support to a Party throughout an investigation and/or hearing.

- Advisors may consult and interact privately with the Party.
- The advisor cannot actively participate in the hearing unless asked a specific question by a hearing officer or when conducting cross examination in a sexual misconduct case.
- Each party is responsible for coordinating and scheduling with their choice of Advisor.
- The Advisor may be a family member, friend, attorney, University Policy or Process Advisor, or a union representative (when applicable).
- A witness cannot serve as an advisor unless it is a sexual misconduct case.
- Advisors may accompany a Party to any meeting or hearing they are required or eligible to attend, but may not speak for the Party, except in sexual misconduct cases for the limited purpose of cross-examination.
- In a sexual misconduct case, if a Party does not have an Advisor of choice present for a hearing, the University will appoint an Advisor.
- In a sexual misconduct case, if a Party does not attend the hearing, the Party’s Advisor may appear and conduct cross-examination on the Party’s behalf.
- In a sexual misconduct case, if neither a Party nor their Advisor appear at the hearing, the University will provide an Advisor to appear on behalf of the non-appearing Party for the limited purposes of conducting cross-examination.
- In a sexual misconduct case, the Advisor is not prohibited from having a conflict of interest or bias in favor of or against a Party, nor is the Advisor prohibited from being a Witness in the Sexual Misconduct Resolution Process.
- A student who serves as a complainant in a conduct case may also have an Advisor.

Appeal: A review of the outcome determined by the University designee.

Appeals Board: A board comprised of three University Hearing Officers, a faculty member, staff and student, who are trained and authorized to weigh an outcome determined by a University hearing officer/board. In cases of sexual misconduct, the board does not include undergraduate students.

Appeals Officer: The individual or individuals with the authority under law or otherwise appointed by the University to decide appeals. The Appeals Officer will be free of conflict of interest and bias, and will not serve as the Investigator, Title IX Coordinator, Advisor to any Party or a Decision Maker in the same matter.

Complaint: The request for an alleged incident to be resolved or investigated through either a formal or informal process.

Complainant: An individual who has reported being or is alleged to be subjected to conduct that could constitute a violation of misconduct as defined under University Policy.

Conduct Meeting: An initial meeting between the responding student or student group and the hearing officer to review the information, discuss the allegations, and ask the
respondent their position on the alleged violations. The respondent will also have the ability to waive or request a hearing or sanctioning hearing.

**Consent:** A knowing and voluntary agreement to engage in specific sexual activity at the time of the activity communicated through clear actions and/or words that are mutually understood. In order to be valid, Consent must be active, present and ongoing. Consent is not present when it is the result of coercion, intimidation, force, or threat of harm. Consent is not present when an individual is incapacitated due to alcohol, drugs, or sleep, or otherwise without capacity to provide Consent due to intellectual or other disability or other condition. Consent can be withdrawn at any time and consent to one form of sexual activity is not necessarily consent to other forms of sexual activity.

When alcohol is involved, incapacitation is a state beyond drunkenness or intoxication. When drug use is involved, incapacitation is a state beyond being under the influence of or impaired by the use of the drug. Alcohol and other drugs impact each individual differently. Determining whether an individual is incapacitated requires an individualized determination. When determining whether a person has the capacity to provide Consent, the University will consider whether a sober, reasonable person in the same position knew or should have known that the other party could or could not consent to the sexual activity. When determining whether Consent has been provided, all the circumstances of the relationship between the parties will be considered.

**De Novo Hearing:** A new hearing where all issues are reviewed as if for the first time.

**Designee:** A person who is authorized to make decisions in the place of the named administrative officer.

**Disciplinary Sanction:** The penalty imposed on an individual for violating University Policy. For students, Disciplinary Sanctions are subject to applicable University/System policies, up to and including expulsion from the University. For Employees, Disciplinary Sanctions are subject to the applicable collective bargaining agreement or University/System policies, up to and including separation from employment. For Officials or Volunteers, this may include the removal or the request for removal of the Official or Volunteer from their respective position.

**Education Program or Activity:** For purposes of this Policy, the term “Education Program or Activity” includes any activity that occurs in, on or within:

A. Any on-campus premises;

B. Any off-campus premises the University has substantial control over. This includes buildings or property owned or controlled by a recognized student organization or a recognized affiliated entity.

C. Computer and internet networks, digital platforms, and computer hardware or software owned or operated by, or used in the operations of the University’s programs and activities over which the University has substantial control.

**Employee:** An individual who is employed by the State System (either at a State System University or in the Office of the Chancellor) including, but not limited to, faculty members, coaches, staff, managers and student employees.

**Formal Complaint:** A document, including an electronic submission, filed by a Complainant with a signature or other indication that the Complainant is the person filing the Formal Complaint, or signed by the Title IX Coordinator, alleging sexual misconduct against a Respondent and requesting initiation of the process set forth in the Sexual Misconduct Policy to investigate the allegation of sexual misconduct.

**Hearing:** A formal proceeding at which presentations are made by or on behalf of the Complainant and the Respondent or group to the hearing officer or University Hearing Board. The Hearing Officer(s) will determine the Respondent’s responsibility for the violation. As further explained below, not all cases will warrant the convening of a University Hearing Board.

**Hearing Facilitator:** The Office of Student Conduct representative responsible for directing the formal hearing to ensure a fair process.
**Hearing Officer:** A University employee or graduate student who is appointed by the University, trained and authorized to weigh the information presented in a conduct meeting or University hearing. The Hearing Officer, also referred to as the Decision Maker(s), will be free of conflict of interest and bias, and will not serve as the Investigator, Title IX Coordinator, an Advisor to any Party, or Appeals Officer in the same matter.

**Incident Report:** An official document which provides information about an alleged policy violation and may include the names of the Complainant, Respondent, witnesses, location, date, time and a summary of the incident. Incident reports may be submitted anonymously except by a University employee. An incident report is not considered a Formal Complaint in sexual misconduct cases.

**Information Meeting:** An initial meeting, prior to identifying alleged violations, to gather additional details regarding an incident.

**Interim Action:** may be instituted if it is determined the student’s continued presence constitutes an immediate threat of harm to the student, other students, University personnel or University property. A Respondent may challenge an interim suspension resulting in a hearing within 10 working days. If extenuating circumstances warrant an extension, a hearing shall be provided at the earliest possible date.

**Investigator:** The Title IX Coordinator or the individual designated to perform an investigation. The Investigator may not have a conflict of interest or bias for or against an individual or group party, or for or against complainants or respondents in general. The Investigator may not serve as a Decision Maker, Appeals Officer or Advisor to any Party in the same matter.

**No-Contact Directive:** An official written instruction issued by a University administrator restricting or limiting contact (in person, electronic, via social media or 3rd parties) between individuals.

**Notice of Allegations:** The written notice required to provide to the Parties of alleged violations and/or following receipt of a Formal Complaint of sexual misconduct.

**Process and Policy Advisor:** Is an individual who may be present to provide support and guidance to a Complainant or Respondent throughout an investigation and/or conduct proceeding. The Process and Policy Advisor serves as a key resource in helping students understand their rights and responsibilities. In sexual misconduct hearings, this person will also have an additional responsibility to conduct cross examinations.

**Preponderance of Evidence:** The standard of proof used to determine whether violations of University policy have occurred and means “it is more likely than not” that a violation has occurred.

**Quorum:** Two hearing board members is the minimum number needed to decide an outcome.

**Rebuttal Statement:** A statement which refutes another’s version of events or facts.

**Reporter:** Any person other than the complainant who submits an incident report alleging that a person violated a University policy.

**Respondent:** Any individual who has been reported to be the perpetrator of conduct that could constitute a violation as defined under University Policy.

**Sanctioning Hearing:** Occurs when a student or group accepts responsibility for the violations and seeks an alternative outcome. The sanctioning hearing officer or board will consider the full range of sanctions and conditions appropriate for the violation, including upholding, overturning, or increasing the originally proposed sanctions.

**Semester:** An academic period of time during which coursework is offered by the University. The academic year at the University is comprised of five semesters, including fall term, winter session, spring term, summer session 1, and summer session 2.
Student: Any person: (1) seeking admission to the University through the formal University application process; (2) admitted to the University, (3) eligible to register or schedule for classes, or (4) living in University or University-affiliated residence halls, even though they are not enrolled at the University. The term “Student” shall include Employees, Volunteers and Officials where the Employee, Volunteer or Official otherwise meets the enrollment criteria set forth in this definition.

Student Group: Any organized group of students that has complied with or is in the process of complying with the University’s requirements for registration, recognition, or is formed through University academic, athletic, or auxiliary department, or is funded by Student Services Incorporated.

Supportive Measures: Non-disciplinary and non-punitive individualized services designed to restore or preserve access to the University’s Education Programs or Activities without unduly burdening the other Party. Supportive Measures will be offered, as appropriate, to the Complainant or the Respondent, regardless of whether a Formal Complaint is filed. Supportive Measures may include, but are not limited to counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, restrictions on contact between the parties (no contact orders), changes in work or housing locations, leaves of absence, and increased security and monitoring of certain areas of the campus.

Title IX Coordinator: The individual designated by the University to coordinate the University’s compliance with Title IX and VAWA and to respond to reports of violations. The Title IX Coordinator may not have a conflict of interest or bias for or against an individual party, or for or against complainants or respondents in general. The Title IX Coordinator may serve as the Investigator of a Formal Complaint. The Title IX Coordinator may serve as the Investigator of a Formal Complaint for Formal Complaints against Respondents who are Employees. The Title IX Coordinator may not serve as a Decision-Maker or Appeals Officer.

University Business Day: Any day during which West Chester University is otherwise open for business.

University Hearing Board: A board comprised of up to three University community members who are trained and authorized to weigh the information presented in a University hearing to determine an appropriate outcome. A typical board will include an employee and students. A sexual misconduct board includes three University employees and/or graduate students.

University Property: University property includes all real estate owned or controlled by the University, starting from the curb-edge inward, as well as sidewalks and building entrances. Public streets are controlled by the respective municipalities through their ordinances. University Avenue from the intersection of Church Street traveling west, North Campus Drive, South Campus Drive, East Campus Drive, Carey Drive, East Carey Drive, and the service road through the Gordon Environmental Center are not public streets and are considered University property.

Witness: A person who has knowledge related to specific aspects of a case and may have reported such aspects to the University.
A. APPLICABILITY

a. Any student or student group committing an act in violation of the applicable portion of the Student Code of Conduct shall be subject to disciplinary action.

b. Any student or student group who aids, abets, encourages, requests, initiates, or assists any other student, non-student, or student group in acts which violate this document or participates in a violation of this document shall be subject to disciplinary action.

c. Any violation of the Student Code of Conduct by a student or members of a student group may result in both the group and the members involved in the misconduct being subject to disciplinary action. All statements made by a student or group relative to an incident may be used in any disciplinary proceeding. Students or groups may have allegations of violations of the Student Code of Conduct for incidents occurring off University property when such conduct interferes with the educational objectives of the University community.

d. Violations found under this document may be applied concurrently with any civil or criminal prosecution brought against a student or student group.

1. Jurisdiction

a. Students and student groups are expected to conduct themselves in accordance with international, federal, state, and local laws and ordinances. Violations of these laws and ordinances may be subject to University action.

b. When a student is charged with violating international, federal, state, or local laws or ordinances at a location off-campus, disciplinary action may be taken and sanctions imposed for misconduct.

c. University disciplinary proceedings may be instituted against a student or group charged with violating laws or ordinances, when such conduct also violates the Student Code of Conduct and if the violations result from the same factual situation. The University will determine whether action under the Student Code of Conduct will be carried out before, simultaneously, or following civil or criminal proceedings.

d. When international, federal, state, or local authorities charge a student with violating laws or ordinances, the University will not request or agree to special consideration for that individual because of their status as a student. The University may advise non university authorities of the existence of the Student Code of Conduct and how such matters will be handled internally within the University.

2. Burden of Proof

The burden of proof refers to who has the responsibility of showing a violation has occurred. It is always the responsibility of the University to satisfy the burden of proof. The Respondent does not have the burden to prove that a violation did not occur. Respondents may decide not to share their side of the story or may decide not to participate in an investigation or hearing. This does not shift the burden of proof away from the University and does not indicate responsibility. Additionally, Decision-Maker(s) shall not make an adverse inference against a Respondent for the Respondent’s refusal to participate in an investigation or hearing, nor will Respondent’s refusal to participate result in increased sanctions if the Respondent is found responsible for the violation(s).

3. Standard of Proof

Consistent with requirements set forth in the Pennsylvania Code pertaining to student disciplinary due process requirements, the University will use the preponderance of the evidence standard in investigations of formal complaints alleging sexual misconduct violations under this Policy. This means that the individual(s) charged with making a finding must determine whether it is more likely than not that a violation of the Policy occurred.
4. Room/Apartment Inspection and Right of Search in University Owned and/or Affiliated Student Housing

The language below reflects current University policy but may be subject to amendments during the academic year.

a. Right of Inspection by University Officials

i) Routine inspections. Visual inspection of student rooms or apartments for cleanliness, health, safety, and compliance with all University owned and/or affiliated student housing regulations is permitted by members of the administration and residence life staff. Such inspections shall be announced and publicized 48 hours before the inspection except for routine inspections, which will be conducted at University breaks, at regular intervals during the academic year, and at the close of each term. These inspections may be conducted in the absence of the residents.

ii) Other permissible inspections. University officials may also enter a resident’s premises for visual inspections when adhering to emergency evacuation procedures (e.g., fire alarms); or when there is reasonable suspicion of a rule violation.

If, upon request, a resident refuses to grant entry or if there is no one present in the room, the master key may be used. If entry occurs with no one present, the resident shall receive written notification of such entry within 24 hours. Anything discovered during an inspection may be used as evidence against residents in University disciplinary proceedings.

b. Right of Search by Other Authorities

Search and seizure for purposes related to suspected violations of civil or criminal law of the Commonwealth may be referred to proper authorities. Such authorities have the right to search the premises and possessions of any student by following the ordinary procedures and requirements for lawful search. Any information discovered through such a search may be used as evidence in any civil or criminal proceedings and by University authorities when violations of the Student Code of Conduct occur.

c. Wellness Checks

There are occasions when public safety receives a request for a well-being check. When exigent circumstances are present, Public Safety officers are authorized to enter a student’s room to check on the student’s status. In the course of that Wellness Check, should the officer(s) notice anything that is either unlawful or contrary to University policy, the officer may address the matter under the criminal law or the Student Code of Conduct as appropriate.

5. Medical Amnesty:

West Chester University’s priority is for the safety and well-being of WCU students. The WCU Medical Amnesty policy has been instituted to encourage students and bystanders to seek emergency medical assistance in situations that are possibly life-threatening due to alcohol or drug use, without fear of conduct violations for alcohol and drug use. In order for the bystander and student needing assistance to receive medical amnesty from the University, the bystander seeking assistance must:

a. Call 911, Public Safety, Police, Emergency Services, or otherwise contact an other Authorized University Representative based on a reasonable belief that someone, including themselves, is in need of immediate medical assistance;

b. Reasonably believe that they were the first person to make the 911 call or a call to Public Safety, Police, Emergency Services, or otherwise contact another Authorized University Representative and reported that a person needed immediate medical assistance;

c. Provide their own name to the 911 operator, Public Safety, Police Emergency Officer, University Staff or other Authorized University Representative;
d. Remain with the person needing medical assistance until emergency health care providers have arrived and taken care of the person in need of medical assistance; and

e. Comply with post event educational/counseling objectives issued by the Office of Wellness Promotion and/or the Office of Student Conduct.

Students should keep in mind that medical amnesty is not intended to shield or protect students from other violations of the Student Code of Conduct related to the incident, or protect students who repeatedly violate the Student Code of Conduct.

Additionally, the University strongly encourages students to report incidents of sexual misconduct. A witness to or individual who experiences sexual misconduct, acting in good faith, who discloses any incident of sexual misconduct to University officials or law enforcement will not be sanctioned under the University’s Code of Conduct for violations of alcohol and/or drug use policies occurring at or near the time of incident(s) of sexual misconduct.

6. Principles of Group Responsibility

Student groups enrich the University and community by providing a source of intellectual, personal, and social development of students through their programs and activities. The University and off-campus partners fulfill an important educational mission by providing the policies and procedures with which to support and guide student groups.

Inherent in the University’s recognition of student groups is the obligation of each group to conduct activities in accordance with University rules and policies. These rules and policies of the University are in addition to other rules and policies that may govern the group by their parent organization, or government laws. Further, any student group advisor, chapter advisor, affiliate advisor, coach or associate of a local, state, national, or international organization (collectively “parent organization”) must provide notice of an alleged conduct violation and details to the Assistant Dean of Students within 24 hours of receiving notice of any violation of University policy, international, federal, state, local laws, or other reasonably publicized policy violations.

a. Organizational Responsibility for Policy Violations

Student groups are required to comply with all University policies, including the Student Code of Conduct and all additional policies pertaining to the specific group. A group may be held responsible for the actions and behaviors of its members and guests. The decision to hold a group responsible as a whole is ultimately determined by examining all the circumstances of a situation and by taking into account factors including, but not limited to, whether the actions:

• Were committed by one or more leaders or authorized representatives acting in the scope of their group capacities;

• Were committed by a significant number of group members or alumni, or guests that reasonable people would associate with the group;

• Were condoned by (actively or passively) a significant number of group members, alumni, or guests;

• Occurred at, or in connection with, an activity or event funded, sponsored, publicized, or advertised, by the group or group members;

• Occurred at a location over which the group or its members had control at the time of the action;

• Occurred at, or in connection with, an activity or event that reasonable people would associate with the group;

• Should have been foreseen by the group or its leaders, but reasonable precautions against such actions were not taken;

• Were the result of a policy or practice of the group;

• Would be attributable to the group under the group’s own policies (including local or national risk management guidelines); and,
• Were taken by individuals who, but for their affiliation with the group, would not have been involved in the incident.

In addition, a group may be held responsible if:

• One or more leaders or members of a group fail to report knowledge or information about a violation to, or otherwise fail to cooperate with, appropriate University or emergency officials;

• The group, or any member acting on its behalf, fail to satisfactorily complete the terms of any disciplinary sanction or outcome.

Along with student groups, their members, leaders, and associated individuals may also be held individually responsible for violations of the Student Code of Conduct or other University policies. It is the responsibility of the student group’s president, leader, or designee to represent the group through the conduct process.

B. VIOLATIONS OF THE STUDENT CODE OF CONDUCT

The following forms of conduct are prohibited by any West Chester University student or group on or off University property and are subject to disciplinary action:

1. Infliction of Harm — Commission of any act which results in or which may result in the infliction of pain, injury, or damage to any person or property by willful and deliberate means or through gross negligence. This offense includes (a) assault, (b) attempted assault, or (c) reckless behavior, which may result in injuries to oneself, others, or property. In the absence of extraordinary or mitigating circumstances, a sanction of suspension or expulsion may be imposed on any student or student group found responsible for this violation.

2. Threat of Harm – This violation may be established in any of the following ways: (a) where a student directs words to a person or group of persons with the intent of placing the victim in fear of bodily harm; (b) where a student engages in conduct that can be reasonably understood as a threat of bodily harm; (c) where a student directs words toward any party or witness, or their property, involved in a University conduct process or law enforcement matter, which can be reason-ably understood as attempting to influence an outcome or to retaliate against such person; or (d) where a speaker directs words toward a University employee related to the performance of their job.

Any of the foregoing may occur in person or via electronic means.

3. Theft – This includes (a) theft or attempted theft of the property or services of the University, any group, or any individual, by means of taking, deceiving, misappropriating, or misusing; and/or (b) possession of stolen property and/or receiving stolen property. In certain circumstances, a sanction of suspension or expulsion may be imposed on any student or student group found responsible for this violation.

4. Vandalism – This includes the intentional and/or reckless, but not accidental destruction of property; damaging, destroying, defacing, or tampering with the property of any person or business; or the misuse, or abuse of University property, or the property of any person or business.

5. Weapon – Violations of the policy include either of the following:

   a. The use, possession, or transportation of (i) fireworks, (ii) a knife, (iii) a paintball, Airsoft or BB gun, (iv) explosive, (v) other weapon, except as described in 5b, below, or (vi) any item designed or used in such a way to inflict bodily harm or physical damage, except those items described in 5b, below.

   b. The unlawful use, possession, or transportation of (i) a firearm or (ii) firearm ammunition.

A sanction of suspension or expulsion may be imposed on any student or student group found responsible for a weapons violation.

6. Safety Violations – Violation of safety regulations including, but not limited to,

19. **Community Responsibility** — Students who engage in behavior off-campus that is disruptive to the community, including: a) unreasonable noise as defined by the local noise ordinance; b) fire, health, zoning, building and safety codes, including occupancy limits as defined by the municipality; c) litter, trash and garbage violations (refer to the local regulations for trash disposal and be aware of your neighborhood’s trash collection schedule); d) failure to take proactive steps to manage the conduct of guests, including measures that reduce the risk of harm; or, e) failure to engage in mediating and resolving problems or concerns with neighbors in a timely and civil manner.

22. **Guest Policy** — Students may be held responsible when the actions of their guests violate the **Student Code of Conduct**. Guests are expected to abide by University policies and local, state, federal, or international laws while visiting University property.

23. **Sexual Misconduct** — Based on the **Final Rule** effective August 14, 2020, certain violations have regulatory standards that must be met to proceed under Title IX. The University’s **Sexual Misconduct Policy** contains violations which may meet both regulatory and non-regulatory definitions. The Federal guidelines require the University to dismiss regulatory violations that do not meet the federal standards. However, the University may still proceed with investigating non-regulatory violations. If the standards of the allegations are substantiated through an investigation, regardless of whether the violation is defined as regulatory, the adjudication process is the same. Parties will be notified of any dismissal or inclusion of alleged violations. Please refer to the **Sexual Misconduct Policy** for additional definitional requirements and examples. Violations of the policy include:

a) **Sexual Harassment** — The range of sanctions for students responsible for this violation include: Disciplinary Probation (ranging from 6 weeks to 10 semesters), Final Disciplinary Probation (ranging from 6 weeks to 10 semesters), Disciplinary Suspension (ranging from 1 to 15 semesters) and Disciplinary Expulsion. Conditions may include off campus counseling, campus restriction, loss of housing, residential non-renewal or reassignment, and related educational conditions. Sexual Harassment includes:

1) **Regulatory Quid Pro Quo Sexual Harassment**: An Employee conditioning the provision of aid, benefit or service of the University on an individual’s participation in unwelcome sexual conduct.

2) **Non-Regulatory Quid Pro Quo Sexual Harassment**: An Official, Volunteer or Student conditioning the provision of aid, benefit or service of the University on the individual’s participation in unwelcome sexual conduct.

3) **Regulatory Hostile Environment Sexual Harassment**: Unwelcome conduct, on the basis of sex, that a reasonable person would determine is so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the University’s Education Program or Activity.

4) **Non-Regulatory Hostile Environment Sexual Harassment**: Unwelcome conduct, on the basis of sex, that a reasonable person would determine is sufficiently severe, pervasive, and objectively offensive that it unreasonably interferes with, limits, or deprives an individual from participating in or benefitting from any educational, employment, social or residential program in offered connection with the University.

b) **Sexual Assault** — This includes any sexual act directed against another person, without the Consent of the Complainant, including instances where the Complainant is incapable of giving Consent. Sexual Assault is categorized as Regulatory when it occurs in the United States, within an Education Program or Activity and when the Complainant is participating or seeking to participate in an Education Program or Activity at the time of the filing of the complaint. Otherwise, Sexual Assault will be categorized as Non-Regulatory. The range of sanctions for students responsible for this violation include: Disciplinary Suspension (ranging from 1 to 15 semesters) and Disciplinary Expulsion. Condi-
tions may include off campus counseling, campus restriction, loss of housing, and residential non-renewal or reassignment.

**Sexual Assault may be one of the following categories:**

1) **Sexual Penetration Without Consent** - Any penetration of the mouth, sex organs, or anus of another person, however slight by an object or any part of the body, when Consent is not present. This includes performing oral sex on another person when Consent is not present.

2) **Sexual Contact Without Consent** - Knowingly touching or fondling a person’s genitals, breasts, buttocks, or anus, or knowingly touching a person with one’s own genitals or breasts, when Consent is not present. This includes contact done directly or indirectly through clothing, bodily fluids, or with an object. It also includes causing or inducing a person, when Consent is not present, to similarly touch or fondle oneself or someone else.

3) **Statutory Sexual Assault** – The age of consent for sexual activity in Pennsylvania is 16. Minors under the age of 13 cannot consent to sexual activity. Minors aged 13-15 years old cannot consent to sexual activity with anyone who is 4 or more years older than they are at the time of the activity. Minors aged 16 years of age or older can legally consent to sexual activity, as long as the other person does not have authority over them as defined in Pennsylvania’s institutional sexual assault statute.

c) **Sexual Exploitation** – Engaging in sexual behaviors directed toward or involving another person or use of another person’s sexuality for purposes of sexual gratification, financial gain, personal gain or personal advantage when Consent is not present. This includes, but is not limited to, the following actions, including when they are done via electronic means, methods or devices:

- Sexual voyeurism or permitting others to witness or observe the sexual or intimate activity of another person without that person’s Consent;
- Indecent exposure or inducing others to expose private or intimate parts of the body when Consent is not present;
- Recording or distributing information, images or recordings of any person engaged in sexual or intimate activity in a private space without that person’s Consent;
- Prostituting another individual; or
- Knowingly exposing another individual to a sexually transmitted disease or virus without that individual’s knowledge; and
- Inducing incapacitation for the purpose of making another person vulnerable to non-consensual sexual activity.

The range of sanctions for students responsible for this violation include: Disciplinary Probation (ranging from 6 weeks to 10 semesters), Final Disciplinary Probation (ranging from 6 weeks to 10 semesters), Disciplinary Suspension (ranging from 1 to 15 semesters) and Disciplinary Expulsion. Conditions may include off campus counseling, campus restriction, loss of housing, residential non-renewal or reassignment, or related educational conditions.

d) **Stalking** – means engaging in a course of conduct directed at a specific person that would cause a reasonable person to:

1) fear for their safety or the safety of others; or
2) suffer substantial emotional distress.

A course of conduct is when a person engages in two or more acts that include, but are not limited to, acts in which the person directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveys, threatens, or communicates to or about a person in a prohibited way, or interferes with a person’s property. Stalking includes
the concept of cyberstalking, in which electronic media such as the Internet, social networks, blogs, cell phones, texts, email or other similar devices or forms of contact are used to pursue, harass, or to make unwelcome contact with another person in an unsolicited fashion. Stalking is categorized as Regulatory when it occurs in the United States, within an Education Program or Activity and when the Complainant is participating or seeking to participate in an Education Program or Activity at the time of the filing of the complaint. Otherwise, Stalking will be categorized as Non-Regulatory. The range of sanctions for students responsible for this violation include: Disciplinary Probation (ranging from 6 weeks to 10 semesters), Final Disciplinary Probation (ranging from 6 weeks to 10 semesters), Disciplinary Suspension (ranging from 1 to 15 semesters) and Disciplinary Expulsion. Conditions may include off campus counseling, campus restriction, loss of housing, residential non-renewal or reassignment, or related educational conditions.

e) Dating Violence — includes any violence committed by a person: (A) who is or has been in a social relationship of a romantic or intimate nature with the Complainant; and (B) where the existence of such a relationship shall be determined based on a consideration of the following factors: (i) the length of the relationship; (ii) the type of relationship; and (iii) the frequency of interaction between the persons involved in the relationship. Dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse. Dating violence does not include acts covered under the definition of Domestic Violence. Dating Violence is categorized as Regulatory when it occurs in the United States, within an Education Program or Activity and when the Complainant is participating or seeking to participate in an Education Program or Activity at the time of the filing of the complaint. Otherwise, Dating Violence will be categorized as Non-Regulatory. The range of sanctions for students responsible for this violation include: Disciplinary Reprimand, Disciplinary Probation (ranging from 6 weeks to 10 semesters), Final Disciplinary Probation (ranging from 6 weeks to 10 semesters), Disciplinary Suspension (ranging from 1 to 15 semesters) and Disciplinary Expulsion. Conditions may include off campus counseling, campus restriction, loss of housing, residential non-renewal or reassignment, or related educational conditions.

f) Domestic Violence — includes any violence committed by a current or former spouse or intimate partner of the Complainant, by a person with whom the Complainant shares a child in common, by a person who is cohabitating with or has cohabitated with the Complainant as a spouse or intimate partner, by a person similarly situated to a spouse of the Complainant under Pennsylvania's domestic or family violence laws or by any other person against an adult or youth Complainant who is protected from that person's acts under the domestic or family violence laws of Pennsylvania. Domestic Violence is categorized as Regulatory when it occurs in the United States, within an Education Program or Activity and when the Complainant is participating or seeking to participate in an Education Program or Activity at the time of the filing of the complaint. Otherwise, Domestic Violence will be categorized as Non-Regulatory. The range of sanctions for students responsible for this violation include: Disciplinary Reprimand, Disciplinary Probation (ranging from 6 weeks to 10 semesters), Final Disciplinary Probation (ranging from 6 weeks to 10 semesters), Disciplinary Suspension (ranging from 1 to 15 semesters) and Disciplinary Expulsion. Conditions may include off campus counseling, campus restriction, loss of housing, residential non-renewal or reassignment, or related educational conditions.

g) Retaliation — Any action, directly or through others, which is aimed to deter a reasonable person from reporting sexual misconduct or participating in an investigation or hearing or action that is done in response to such activities. This includes but is not limited to intimidation, threats, coercion, or discrimination against any individual (A) for the purpose of interfering with any right or privilege secured by Title IX of the Education Amendments of 1972 or its implementing regulations; or (B) because the individual has made a report
or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding or hearing under this Policy. A finding of retaliation under this Policy is not dependent on a finding that the underlying sexual misconduct occurred. The range of sanctions for students responsible for this violation include: Disciplinary Probation (ranging from 6 weeks to 10 semesters), Final Disciplinary Probation (ranging from 6 weeks to 10 semesters), Disciplinary Suspension (ranging from 1 to 15 semesters) and Disciplinary Expulsion. Conditions may include off campus counseling, campus restriction, loss of housing, residential non-renewal or reassignment, or related educational conditions.

h) Violation of Interim or Supportive Measures — Any action, directly or through others, which a party takes that intentionally contravenes or disregards the directives of the University issued to the party as a result of a report, complaint, hearing, or appeal. The range of sanctions for students responsible for this violation include: Disciplinary Probation (ranging from 6 weeks to 10 semesters), Final Disciplinary Probation (ranging from 6 weeks to 10 semesters), Disciplinary Suspension (ranging from 1 to 15 semesters) and Disciplinary Expulsion. Conditions may include off campus counseling, campus restriction, loss of housing, residential non-renewal or reassignment, or related educational conditions.

24. Criminal/Civil Statutes — Any student who has been cited, arrested, or found guilty by international, federal, state, or local law enforcement officials will violate this offense. This offense includes the alleged commission of any act that may be adjudicated as a violation of such other criminal and/or civil statutes, regulations, or ordinances that are now in effect or may hereafter be in effect in any applicable locality, the Commonwealth of Pennsylvania, or the United States of America. If adjudication by a court substantiates that a violation of law has occurred, it will be deemed as evidence of a violation of this section. However, the standards and procedures (including, but not limited to, determination of guilt beyond a reasonable doubt) of the courts or other agencies are not adopted, and violations will be determined in accordance with the University’s rules and standards. A criminal or civil decision is not a necessary prerequisite for a disciplinary decision nor is it necessary that criminal or civil charges be determined before or after a University decision. Any criminal or civil act that would also be a violation of the other Student Code of Conduct items can be addressed based on the available evidence regardless of court outcome as the University is not necessarily bound by court decisions that apply to criminal or civil law. Therefore, action taken in a civil or criminal court does not free the student of responsibility for the same conduct in a University proceeding. A student participating in the Accelerated Rehabilitative Disposition (ARD) program or any similar alternative diversionary program applied by the courts is still considered to be in violation of this standard and accountable for a conduct violation. Court issued sanctions do not satisfy University sanctions. The University may suspend a student charged with committing an offense on an interim basis while violations are pending. If a student is found guilty of committing a crime, the University may impose a sanction up to and including suspension or expulsion based on the nature and seriousness of the criminal offense.

25. Aiding a Violation or Failure to Report – This includes (a) actively assisting in the commission of a violation, or (b) failing to report firsthand knowledge of a violation of the Student Code of Conduct which poses a risk of harm to others’ health and safety or to University property. This includes witnessing such violations and knowingly failing to report them.

26. Retaliation – any action taken in response to a report of misconduct that restrains, interferes with, coerces, or punishes the person making the report or submitting a complaint. Under this policy, no faculty member, administrator, staff, student, applicant for employment, or member of the public may be subject to restraint, interference, coercion, or reprisal for action taken in good faith to
seek advice regarding a misconduct matter, filing a complaint, or serving as a
witness in the investigation of a misconduct complaint. Retaliation is a separate
violation and may be cause for discipline apart from the outcome of the initial
misconduct complaint. That is, retaliation may be found to have occurred even
if there is no finding of a policy violation under the initial misconduct complaint.
A sanction of loss of housing, suspension, or expulsion may be imposed on any
student or student group found responsible for this violation.

27. Violation of Safety Precaution Requirements – To reduce the risk of spreading
infectious disease, students shall adhere to all Safety Precautions (which are de-
efined as any health-related laws, regulations, or mandatory guidelines established
by the University or federal, state, county, or municipal authorities). There are
two categories of this violation:

(a) The intentional or reckless disregard of Safety Precautions, or intentional
or reckless actions that cause or directly threaten the spread of disease.
For example: Hosting a large gathering where social distancing is not
possible and masks are not worn, or taking specific action(s) designed to
spread the virus to another person, either of which has an extremely high
risk of virus spread.

A single instance of this category of Violation may result in loss of housing, man-
dated remote campus participation, and/or disciplinary suspension for a student
who is found responsible for this violation. A student’s actions in relation to a
high risk of disease spread and the student’s conduct history will be considered in
determining the level of sanction.

(b) Failing to comply with Safety Precautions. This includes all Safety Precau-
tions, as defined above, and expressly includes failing to abide by face-
covering policies or directives.

The current updated list of all Safety Precautions appears at Student
Community Agreements, https://www.wcupa.edu/healthNotices/
studentCommunityAgreements.aspx, and this list will be updated on a regular
basis, as new requirements are imposed by government, health, or University
officials.

If Safety Precautions from multiple sources apply to a given situation or in the
event of conflict between or among them, students are required to follow the
most restrictive Safety Precaution.

The University’s goal in addressing this category of violation is to ensure wide-
spread compliance with Safety Precautions. While a first offense is unlikely to
lead to a severe sanction, the University reserves the right to impose a loss of
housing, mandated remote campus participation, and/or disciplinary suspension
for a student who is found responsible for this violation. A student’s actions in
relation to a high risk of disease spread and the student’s conduct history, as
well as the existence of prior violations of this category will be considered and
may lead to a more severe sanction including disciplinary suspension.

II. Initiation of Alleged Violations

Any person or entity (including University departments, officials, community
members, and/or students) may submit information regarding an alleged violation of
the Student Code of Conduct to be reviewed by the Office of Student Conduct. Any
alleged policy violation should be submitted as soon as possible after the event takes
place. Incident reports may be submitted anonymously and those reports will be
investigated based on the extent of the information provided. Anonymous incident
reports may alert an administrator to an existing problem, but these reports may not
provide sufficient information to allow the University to initiate disciplinary action. The
Office of Student Conduct reviews all information and manages the process of
alleged violations under the Code of Conduct.
Student Code of Conduct violations are entirely separate from a criminal investigation by the police, and any complainant may file a criminal complaint with the police in addition to a Student Code of Conduct violation. The University reserves the right to initiate an incident report, to serve as the complainant, and to initiate Student Conduct proceedings without a formal incident report by the complainant of misconduct.

Truthfulness
All participants in the reporting and resolution processes have the responsibility to be truthful with the information they share at all stages of the process. A report of a violation under the Student Code of Conduct is not considered a bad faith report merely because the evidence does not ultimately support the allegation. Individuals are prohibited from knowingly making a false report, filing a false Formal Complaint or making misrepresentations.

If an investigation results in a finding that a person has willfully filed a bad faith report, filed a false Formal Complaint or made misrepresentations as part of the reporting or resolution process, the person may be subject to appropriate Disciplinary Sanctions under the Code of Conduct in the case of Students or other relevant University policy and collective bargaining agreements in the case of officials, employees or volunteers. False reporting may also violate international, federal, or state criminal laws and civil defamation laws.

A. FILING AN INCIDENT REPORT (NON-SEXUAL MISCONDUCT)

Reporting may be accomplished in the following ways:

1. Filing a police report with the Office of Public Safety or requesting a report from another law enforcement agency be sent to the Office of Public Safety.

2. Complete a University incident report form at www.wcupa.edu/conduct. Various report types are included from general conduct reports, student group misconduct, and sexual misconduct (See B. Filing a Sexual Misconduct Incident Report). Once a report is filed, the University designee will determine whether further fact finding is needed and whether there is enough information to file conduct violations and what type of hearing process will be appropriate for the allegations. In the event a group member becomes aware of an incident, the student group member(s) should inform the on-campus University advisor/coach immediately, with the following points in mind:

   • An advisor/coach who is employed by the University is required to submit an incident report for any information that is shared with them.
   • An advisor/coach not employed by the University is not required to report information to the University; however, the student member(s) should also report the incident to a University official.

If the group is affiliated with a national organization, University officials will notify the national organization at the beginning of an investigation and communicate throughout the process when notification will not impede the investigation. If during the investigation the group is deemed to have responsibility in the incident, the national organization will be informed when notification will not impede the investigation.

The Assistant Dean will also have the discretion to request additional fact-finding or close the case without conducting a hearing due to insubstantial information.

B. FILING A SEXUAL MISCONDUCT INCIDENT REPORT

Any individual, including a third party, may make a report concerning sexual misconduct. Complainants and third parties are encouraged to report sexual misconduct as soon as possible to allow the University to respond promptly and effectively.

The Title IX Coordinator (or designee) has authority to institute corrective measures for reports of alleged violations of this Policy. Mandated reports to the Title IX Coordinator by Officials, Volunteers and Employees shall not automatically result in corrective
measures being instituted. Individuals are encouraged to report sexual misconduct directly to the Title IX Coordinator, through the University’s electronic and anonymous reporting systems or by filing a Formal Complaint.

1. Reports to the Title IX Coordinator

Any person may report sex discrimination, including sexual misconduct (whether or not the person reporting is the person alleged to be the person subjected to conduct that could constitute sex discrimination or sexual misconduct), in person, by mail, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator, or by any other means that results in the Title IX Coordinator receiving the person’s verbal or written report.

Contact Information for the Title IX Coordinator:

Lynn M. Klingensmith, Esq.
Director for Equity and Compliance, West Chester University
114 W. Rosedale Avenue, West Chester, PA 19383
(office) 610-436-2433 | (email) lklingensmith@wcupa.edu

Such a report may be made at any time (including during non-business hours) by using the telephone number or electronic mail address, or by mail to the office address listed for the Title IX Coordinator.

The University’s Title IX Coordinator is trained to work with individuals who report sexual misconduct and have knowledge about resources and services, both on and off campus, including the availability of Supportive Measures.

If a report of misconduct discloses a serious or immediate threat to the campus community, the University will issue a timely warning to the community to protect the health or safety of the community. The timely warning will not include any identifying information about the Complainant.

Please Note: Title IX Coordinators are not a confidential source of support. While they will address matters reported with sensitivity and will keep your information as private as possible, confidentiality cannot be guaranteed. To speak with an individuals designated as having confidentiality, please contact WCU Counseling Center, WCU Community Mental Health Center, and/or the WCU Health Center.

Please Also Note: Making a report is different from filing a Formal Complaint (see the section titled Filing a Formal Complaint). A report is defined as notification of an incident of sexual misconduct to the Title IX Coordinator by any person. A report may be accompanied by a request for (1) Supportive Measures; (2) no further action; (3) filing a Formal Complaint with a request to initiate an informal resolution process; and/or (4) a request to initiate an informal resolution process after filing a Formal Complaint. Filing a Formal Complaint initiates the University’s formal investigation process. (See Sexual Misconduct Resolution Process).

2. Electronic and Anonymous Reporting

You may also file a report about sexual misconduct using the appropriate links below. While anonymous reports are accepted, the University’s ability to address misconduct reported anonymously is significantly limited.

Individuals may use this Sexual Misconduct Reporting Form, www.wcupa.edu/sexualmisconductreport, to electronically file a report of sexual misconduct with the University.

Individuals may also file a report electronically by email to: tix@wcupa.edu.

3. Filing A Formal Complaint

The timeframe for the Sexual Misconduct Resolution Process under this Policy begins with the filing of a Formal Complaint and will be concluded within a reasonably prompt manner, and usually no longer than 90 days after the filing of the Formal Complaint, provided that the Process may be extended for a good reason, as set forth more fully in the Continuances and Granting Extensions
section. Appeals may extend the timeframe for resolution.

To file a Formal Complaint, a Complainant must provide the Title IX Coordinator a written, signed complaint describing the facts alleged.

If a Complainant does not wish to make a Formal Complaint, the Title IX Coordinator may determine a Formal Complaint is necessary. West Chester University will inform the Complainant of this decision in writing, and the Complainant need not participate in the process further, but will receive all notices issued under this Sexual Misconduct Resolution Process. PLEASE NOTE: The Title IX Coordinator does not lose impartiality solely due to signing a Formal Complaint.

A Complainant who files a Formal Complaint may elect, at any time, to address the matter through the Informal Resolution Process (see the Informal Resolution section below).

4. Criminal Reporting Options

A Complainant may also seek to initiate a criminal complaint, independent of or parallel with any report made to the University.

West Chester University Police, 610-436-3311 or x3311
Peoples Building, 690 South Church Street, West Chester, PA 19383

You may also contact the police department in the city or town in which the incident occurred.

Please note: The University’s policy, definitions, and burden of proof may differ from Pennsylvania criminal law. Neither law enforcement’s decision whether to prosecute, nor the outcome of any criminal prosecution, is determinative of whether sexual misconduct has occurred under this Policy. In cases where there is a simultaneous law enforcement investigation, there may be circumstances when the University may need to temporarily delay its investigation while law enforcement gathers evidence. However, the University will generally proceed with Formal Complaint even during the time of a pending law enforcement investigation.

As the University may not be informed of reports made with law enforcement agencies outside of West Chester University Police, a separate report must be filed with the Title IX Coordinator for University involvement.

5. External Reporting Options

A person may also file a complaint with the U.S. Department of Education’s Office for Civil Rights regarding an alleged violation of Title IX by or calling 1-800-421-3481; 1-877-521-2172 TTY or emailing OCR.Philadelphia@ed.gov OR visiting https://www2.ed.gov/about/offices/list/ocr/complaintintro.html.

A person may also file a complaint with the Pennsylvania Human Relations Commission by calling 717-787-9780 for the Harrisburg Regional Office; 412-565-5395 for the Pittsburgh Regional Office; or 215-560-2496 for the Philadelphia Regional Office; or by visiting https://www.phrc.pa.gov/Pages/default.aspx.

Employees may also file a charge with the Equal Employment Opportunity Commission regarding an alleged violation of Title VII by calling 1-800-669-4000 or visiting https://www.eeoc.gov/employees/howtofile.cfm.

The University may not be informed of reports made with external agencies.

a. Jurisdiction And Dismissals

In certain circumstances where violations defined under the Final Rule as Regulatory Prohibited Conduct (Regulatory Quid Pro Quo, Regulatory Hostile Environment Sexual Harassment, Regulatory Dating Violence, Regulatory Domestic Violence, Regulatory Sexual Assault and Regulatory Stalking) do not meet jurisdictional requirements, the University must dismiss those allegations contained in the Formal Complaint.

In certain circumstances the Title IX Coordinator may dismiss a Formal Complaint, or any specific allegations raised in the Formal Complaint at any time during the investi-
gation or hearing. Any Party may appeal a dismissal determination. See the Determining Jurisdiction and Mandatory Dismissal for Certain Allegations under the Sexual Misconduct Resolution Process Section for more information.

b. Retaliation

West Chester University prohibits retaliation against any person for using reporting procedure(s), or for filing, testifying, assisting or participating in any investigation or proceeding involving allegations of University misconduct. Any retaliatory behavior should be reported immediately to the Office of Student Conduct or the Title IX Coordinator/Director of Equity and Compliance. Any person, including third parties, who violates this retaliation policy, will be subject to discipline, up to and including termination if they are an employee, and/or expulsion if they are a student.

c. Emergency Removal For Students

1. The University retains the authority to remove a Respondent from its education programs or activities on an emergency basis. This action is also referred to as an emergency removal.

2. Before imposing an emergency removal on a student Respondent, the University will:
   a. undertake an individualized safety and risk analysis; and
   b. determine that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of covered sexual misconduct justifies a removal.

3. If the University imposes an emergency removal on a student Respondent, the University will provide the Respondent with notice and an opportunity to challenge the decision immediately following the removal.
   a. The University will provide written notice of the emergency removal and applicable charges.
   b. The University will provide an opportunity for the Respondent to appeal that decision to an appropriate Hearing Officer or designee within 10 days of the imposition of the emergency removal.
   c. The designated University Hearing Officer(s) will hear the evidence and determine whether there is sufficient evidence to support the conclusion that the Respondent poses an immediate threat to the physical health or safety of any student or other individual arising from the allegations of covered sexual misconduct and that, based on that threat, removal is the appropriate course of action.

4. If the University learns of evidence that demonstrates that the emergency action is no longer justified after the emergency removal is imposed against a student Respondent, the University will take prompt action to rescind the emergency removal.

5. All emergency removals will also comply with requirements under Chapter 505 of Title 22 of the Pennsylvania Code concerning Student Personnel.

d. Multiple Party Complaints

The University may consolidate Formal Complaints involving multiple parties where the allegations arise from the same facts or circumstances; in such consolidated matters, the Sexual Misconduct Resolution investigation Process applies to more than one Complainant and/or more than one Respondent, but each party is still an “individual” and not a group or organization. The decision of the Title IX Coordinator to consolidate Formal Complaints is not subject to appeal.

e. Informal Resolution Process

Informal means of resolution, such as mediation, may be used as an alternative to the formal investigation and hearing procedures. Informal resolution is a voluntary
process and may be used only where a Formal Complaint has been filed. Upon written agreement of all parties, informal resolution may be initiated at any time prior to finding of responsibility in a hearing, and may be terminated at any time prior to final resolution. If the informal process is terminated, the Sexual Misconduct Resolution Process, which includes an investigation and hearing, will proceed. Once a final resolution has been reached and documented and signed by all parties, the resolution cannot be appealed.

Informal resolution may not be utilized when a Student files a Formal Complaint against a University Employee, Volunteer or Official under this Policy.

**III. Procedures for Resolution**

Separate procedures are written for cases which include allegations of sexual misconduct. Please see **IV. SEXUAL MISCONDUCT RESOLUTION PROCESS.**

**A. INVESTIGATIONS (NONSEXUAL MISCONDUCT)**

Depending on the type of incident, the Office of Student Conduct or designee will first review the case to determine if the allegations have merit and determine if further investigation needs to be conducted. Depending on the nature and information contained in an incident report, the University may elect to conduct an investigation.

Once an incident is reported, the police and/or professionally trained staff will proceed with the steps necessary to support the individuals involved. Any student-initiated investigations are strictly prohibited and will likely delay personal and group support and impact the outcome.

During the investigation, students have the right to be assisted by any advisor they may choose, at their own expense. WCU has trained staff who serve as Policy and Process Advisors who can provide support and guidance to a complainant or respondent throughout an investigation and/or conduct proceeding. The PPA, although not a trained attorney, can serve as a key resource in helping students understand their rights and responsibilities. Students are free to determine the degree of involvement by their PPA. Some students may only want assistance in navigating processes and may/not wish to divulge all details.

Attorneys acting as advisors must follow the same rules as non-attorney advisors. An advisor may attend all meetings but does not have the right to speak or participate directly in most aspects of the conduct process. The involved students must speak on their own behalf and communicate directly with the fact finder or adjudicator(s). An advisor’s failure to comply with these participation limitations may cause the advisor to be removed from the meeting or proceeding.

The fact-finding investigation may necessitate interviews with all involved parties and designated witnesses. Members of the University community are strongly encouraged to participate in the investigative process as witnesses if they have knowledge or information regarding the alleged violation(s) in question and if they have been requested to participate. Individuals who are not members of the University community will generally be permitted to participate as a witness if they have direct knowledge or information regarding the incident or alleged violation in question. At the conclusion of the investigation, the fact finders prepare a report detailing the incident and their findings. Upon receipt of the investigation report, Student Conduct will review the report and determine, (a) whether additional information is necessary, and if so, to seek that additional information, and (b) whether or not to assign alleged violations of the Student Code of Conduct to a student, students, or a group.

Information and materials that the University obtains during the investigative process may be disclosed to law enforcement in response to a health or safety threat or a valid subpoena. If appropriate, an interim action provision may also be initiated.

**B. INTERIM ACTIONS**
An interim action may be instituted at any point if it is determined the student’s continued presence in the residence halls or other locations on campus constitutes an immediate threat of harm to the student, other students, University personnel or University property. Interim actions may include but are not limited to a no contact directive, a loss of housing, University area specific restriction, or full campus restriction. A Respondent may refute the interim action with a preliminary hearing process to show cause as to why their presence on University premises or at University activities does not constitute a threat. To exercise that option, the student needs to complete a Hearing Request Form so that the Office of Student Conduct can schedule a timely hearing. If requested by the Respondent, the interim action hearing will be held within 10 working days unless extenuating circumstances warrant an extension. A hearing shall be provided at the earliest possible date.

C. STUDENT GROUP INVESTIGATIONS

1. Preliminary Inquiry

Reported incidents of group misconduct often result in a preliminary inquiry conducted by fact-finding investigators. Interviews may be set up with the individual complainants, reporters, witnesses, and respondent student(s). If it is determined that there is reason to continue the fact-finding information, the case may move to a formal investigation and the group leadership (advisor, coach, president or captain) will be notified.

Formal Investigations

a. The fact-finder will determine the best method of information gathering. This may include a mandated group meeting or a series of individual meetings.

b. Students will be asked to sign an investigation participation form affirming the truthfulness of statements provided, their right to be silent, acknowledging they have the option to file a report with law enforcement, understanding that information provided may be made available to other individuals if they are alleged to have violated the Student Code of Conduct, and that any attempt to disrupt or obstruct the investigation may result in violations of dishonesty or failure to comply violations of the Student Code of Conduct.

c. In the interest of full disclosure and to reduce the incidence of retaliatory behavior, the investigators will make every attempt to keep student testimony for group misconduct private.

d. Cell phones and any other technology may be collected during any meeting to avoid collusion and conspiracy but are not subject to search without student permission or warrant.

e. The fact-finder(s) may recommend an interim action to the Assistant Dean at any point in the investigation.

f. Although participation in the investigation is optional, future membership in the group may be assessed on the student member’s cooperation.

For group related allegations, while under investigation, students in groups will:

a. Refrain from communication or behavior that could be considered retaliatory in nature, which is a violation of the Student Code of Conduct. Examples include, but are not limited to, sending intimidating or harassing texts, calls or emails; sending messages through other people; and making intimidating or harassing comments on social media. Retaliation against anyone involved in the case should be brought to the immediate attention of the Office of Student Conduct and/or Public Safety.

b. Keep all information related to the incident as private as possible. In order to protect the privacy of all parties, only speak with University officials who are facilitating the investigation. Any member or guest who are known to have facts of the incident (what took place before, during, and after the alleged misconduct) may be contacted for an interview.
2. If the investigation determines that a group’s culture or actions contributed to the incident, the group will be issued a list of initial Student Code of Conduct alleged violations and may include an Interim Action Notice, which will remain in place until the conclusion of the resolution process. While there is a general time frame for the investigation, there are exceptions that are allowed for extenuating circumstances. For example, a delay in investigation may occur if local law enforcement and legal representatives are not supportive of key individuals (the complainant and/or and respondent) participating in University interviews that could affect a criminal proceeding.

3. If it is determined that a group created a “hostile environment,” defined as “Conduct of a sexual nature that is sufficiently severe, persistent, and pervasive to limit a student’s ability to participate in or benefit from the educational program” (WCU Sexual Misconduct Policy), they may be found responsible.

D. WRITTEN LETTER OF NOTICE OF ALLEGATIONS

If the initial incident report or investigation report determines there is sufficient information establishing that a Student Code of Conduct violation may have occurred, the Office of Student Conduct will issue a list of alleged violations. Students will receive, via their University email, a written notice containing a description of the alleged misconduct, the rules of conduct allegedly violated, and the approximate date, time and place of occurrence. This notice will include a reasonably sufficient interval to allow the student to prepare a response to the allegation(s), typically three to ten days. Offenses occurring at the end of any semester will be adjudicated within a time frame deemed appropriate and reasonable by the Office of Student Conduct. If group conduct is under review, the leader and advisor(s) of the student group shall be notified in writing of the specific violations.

All allegations of violations of the Student Code of Conduct shall be heard by a University hearing officer or board under the supervision of the Assistant Dean. The scheduling of conduct meetings and hearings by a hearing officer or board is at the discretion of the Office of Student Conduct. Students in cases that do not involve sexual misconduct allegations, will be given the opportunity to (1) waive their right to a hearing, accept responsibility for the violations, and accept outcomes from the hearing officer; (2) accept responsibility for the violations and seek review of sanctions offered by presenting their situation in a sanctioning hearing; or (3) request a formal hearing to challenge the information presented in the initial incident reports. Students may request a formal hearing when the facts are in disagreement, and/or to have the ability to include additional information unavailable to the original hearing officer.

Any student or student group representative who fails to appear at an initial conduct meeting will be automatically scheduled for a second conduct meeting. Any student or student group representative who fails to appear at the second scheduled conduct meeting, a sanctioning hearing, or a formal hearing, consents to the resolution of said case in their absence. Should the student or student group be suspended or expelled as a result, they may request a de novo hearing during the time of the appeal period as noted in the outcome letter.

E. CONDUCT MEETING

During the informal conduct meeting, the respondent student or group meets with a hearing officer to review reported details, address questions about process, and discuss their perspective about what happened, including their personal level of responsibility or nonresponsibility. Therefore, the responding student is expected to state whether they are or are not responsible for the alleged violation(s) during this time or in a subsequent follow up meeting. Students will be apprised of the expected range of sanctions possible for the listed violations. If the student accepts responsibility and agrees to the sanctions for the Student Code of Conduct violation(s), no formal hearing will occur. If the student accepts responsibility for the agreed upon violations but not the sanctions, the student can request a sanctioning hearing. If the student does not accept responsibility for the violations, this conduct meeting will then serve as a pre-hearing conference to support the student in explaining the hearing process and to complete the formal hearing
F. SANCTIONING HEARINGS

Student and student groups may request a sanctioning hearing when students accept responsibility for the violations at the conduct meeting but disagree with the proposed sanctions. The Office of Student Conduct will assign this to a new Administrative Hearing Officer or a Board. In group cases, the office may include the national, University, or group administration in the proceeding. At the sanctioning hearing, the responsibility for the violations will be accepted as agreed upon during the informal conduct meeting and the sanction recommendations will be shared. This process provides the student with an opportunity to present their case for an alternate sanction outcome. The Hearing Officer or Board has the authority to remove, add, or amend the originally proposed sanction(s) or accept the recommended sanctions and conditions proposed at the original conduct meeting.

G. FORMAL HEARINGS

1. The purpose of a hearing is to review the facts and circumstances of the alleged incident and to accept all evidence and statements offered during the hearing in order to determine the student’s or student group’s level of responsibility. In determining whether a violation has occurred, the “preponderance of the evidence” standard is applied. There are two types of formal hearings – an administrative hearing, conducted by one University employee, and a University Board Hearing. A University Board Hearing is conducted by three University community members. University board members each have an equal vote in the outcome of the proceeding. Each member is trained in advance and pre-screened on a case by case basis to eliminate familiarity with the involved parties.

2. Witnesses: Parties may want to include witnesses on their behalf. The University Case Presenter (or complainant) and the respondent shall have the right to present witnesses. All parties must provide a list of potential relevant witnesses to the Office of Student Conduct prior to the hearing as they are subject to cross examination. The office will provide the witness list(s) to all relevant parties with the exception of group misconduct cases*. If a formal investigation was conducted, any witness, requested for the hearing, must have been identified and accessible during the investigation process. If a witness is not provided during the investigation process, then the student’s presentation of that witness during the hearing is at the discretion of the hearing facilitator and should only be allowed based on new information not known during the investigation process. Character witnesses and statements will not be allowed.

   *In cases involving allegations of policy violations by student groups, evidence of misconduct may be presented by the investigator rather than through each individual witness. When the evidence presented by the investigator concerning the elements of the policy violation is disputed, the relevant witness can be called to the hearing to present direct testimony.

3. All materials to be presented at the hearing must be submitted to the Office of Student Conduct prior to the hearing. The hearing facilitator will make copies of submitted materials available for inspection (not for duplication) to all relevant student parties prior to the hearing.

4. Any materials submitted less than four calendar days before the hearing may only be considered at the discretion of the hearing facilitator. Further, the hearing facilitator holds ultimate discretion over what records, exhibits, and written statements may be accepted as information for consideration by the hearing officer or University Hearing Board.

5. All procedural questions, including those regarding materials and testimony that will be presented during the hearing, are subject to the final decision of the hearing facilitator.
6. The hearing facilitator has the responsibility for maintaining order and decorum. They have the right to impose rules that are reasonable and necessary for an orderly and efficient hearing to take place. A hearing facilitator may adopt rules of order or decorum to forbid badgering a witness, and may fairly deem repetition of the same question to be irrelevant. Any person who commits an action that interrupts the proceedings or refuses to comply with rules regarding behavior will be removed from the hearing. The hearing facilitator has the authority to direct the time of entrance and exit of all parties participating in the hearing. All hearings are closed proceedings. A student group may file an advance request to allow additional student group leaders to attend the hearing as non-participants, however, they may not be respondent students nor witnesses in the case.

H. PROCEDURES

Please note, in cases involving infliction or threat of violence, or a sexual misconduct allegation, any party may request in advance a remote hearing format or a screen to separate the complainant and the respondent.

At a formal hearing that is initially scheduled or requested by a student or student group, the following procedure will be followed to the extent possible:

1. The hearing facilitator shall open the proceedings by reading the statement of alleged violations and confirming the student or student group’s statement of responsibility or non-responsibility to the alleged violations.

2. Before presenting any testimony, each person must submit to an oath where they swear and affirm the truth of statements to be made. For remote hearings all participants, including the board and the hearing facilitators, must pan their space to ensure no one else is present to hear testimony.

3. For cases involving an organization, the organization’s leader (or designee) will serve in the role of respondent. The leader will respond to the alleged allegations and indicate whether the organization is responsible for all some or none of the alleged violations. The leader may question witnesses as well as present the organization’s response to the alleged violations.

4. The University Case Presenter shall then present their case against the respondent. This shall be done by the submission of written, physical, and/or testimonial evidence.

5. At the conclusion of the University Case Presenter’s presentation, the respondent shall present a response to the allegations. This shall be done by the submission of written, physical, and/or testimonial evidence.

6. At the close of the hearing, the hearing facilitator will allow closing statements by the parties, which may include rebuttal comments.
   a. Any person who commits an action that interrupts the proceedings or refuses to comply with a reasonable order of the hearing officer/board shall be subject to removal from the hearing.
   b. All matters upon which the decision of responsibility will be based must be introduced into evidence at the hearing.
   c. All formal hearings will be recorded and subject to the Disciplinary Records and Retention policy (Section VI). Maintenance of a written or audiotape record of the hearing will be done at the University’s expense, but students may be required to pay the cost of copies of requested records. If such records contain sensitive or confidential information, a request for a copy will be denied. Personal recording of the hearing is prohibited and subject to criminal prosecution.
   d. Case resolution will be based upon evidence sufficient to make a reasonable person believe that the facts sought to be proven are more likely true than not, otherwise known as preponderance of the evidence.
   e. Once responsibility is determined, in addition to testimony and evidence presented at a conduct meeting or hearing, a hearing officer/board may
consider the following elements before rendering a sanction:

i) Academic records and class year;

ii) The nature and severity of previous discipline records including that which is public record;

iii) Attitude of the respondent during the conduct meeting and/or hearing;

iv) Whether the sanction will (a) bring an end to the violation in question, (b) reasonably prevent a recurrence of a similar violation, and (c) remedy the effects of the violation on the complainant and the University community.

v) In group cases, the board may determine responsibility and elect to refer the finding back to the Office of Student Conduct for sanctioning and sanctioning decisions. Sanctioning decisions may involve the national or group administration or other pertinent University staff.

The University retains the right to continue a hearing whenever necessary and appropriate. Any students or student group who fail to appear at a scheduled hearing consent to the conducting of said hearing in their absence. Should the student be suspended or expelled as a result, they may request a de novo hearing during the time of the appeal period as noted in the outcome letter.

If during or after the conduct process it is determined that individuals intentionally misrepresented the facts of the case in their testimony, they may be referred to the Office of Student Conduct or appropriate University office. If this misrepresentation is discovered after a hearing, the Office of Student Conduct, in consultation with the hearing officer/board, will review the evidence to determine whether the case should be reopened and/or a new hearing scheduled.

The Office of Student Conduct will issue a written statement of the findings of fact and reasons for the decision (referred to as an “Outcome Letter”) to the respondent within 30 business days after the close of the hearing.

Pending action on the allegations, the student’s status shall not be altered nor shall the student’s right to be present on University property or to attend classes be suspended, except for reasons relating to their physical or emotional safety and well-being or for reasons relating to the safety of students, employees, personnel, or University property (See Sanction Interim Action Provision).

### IV. Sexual Misconduct Resolution Process

#### A. FORMAL COMPLAINT

The Sexual Misconduct Resolution Process is initiated by a Complainant providing the Title IX Coordinator a written, signed Formal Complaint describing the facts alleged. See the section titled Filing a Formal Complaint in Section 11.B.3.

#### B. NOTICE OF ALLEGATIONS

The Title IX Coordinator will draft and provide a written Notice of Allegations to any Party alleged to have violated this Policy. Such notice will occur as soon as practicable, but no more than 10 days, after the University receives a Formal Complaint of the allegations, if there are no extenuating circumstances. The Parties will be notified by their University email accounts if they are a Student or Employee, and by other reasonable means if they are neither.

The University will provide sufficient time for the Parties to review the Notice of Allegations and prepare a response before any initial interview.
C. DETERMINING JURISDICTIONS AND MANDATORY DISMISSAL FOR CERTAIN ALLEGATIONS

For alleged violations of Regulatory Prohibited Conduct (Regulatory Quid Pro Quo, Regulatory Hostile Environment Sexual Harassment, Regulatory Dating Violence, Regulatory Domestic Violence, Regulatory Sexual Assault and Regulatory Stalking) the following elements will be determined in the reasonable determination of the Title IX Coordinator:

1. The conduct is alleged to have occurred in the United States;
2. The conduct is alleged to have occurred in the University’s Education Program or Activity; and
3. The alleged conduct, if true, would constitute covered Regulatory Prohibited Conduct, as defined in this Policy.

If all of the elements are met, the University will investigate the allegations under the processes set forth in this Policy. If any one of these elements is not met, the Title IX Coordinator will notify the parties the specific allegation contained in the Formal Complaint does not meet the required jurisdictional requirements under the Final Rule and is being dismissed. Any Party may appeal a dismissal using the process set forth in the Appeals section below. Dismissal of any violations constituting Regulatory Prohibited Conduct will not affect the University’s ability to proceed with an investigation of charges categorized as Non-Regulatory or other charges under this Policy or any other University Policy.

D. DISCRETIONARY DISMISSALS FOR ALL ALLEGATIONS

The Title IX Coordinator may dismiss a Formal Complaint brought under this Policy, or any specific allegations raised within that Formal Complaint, at any time during the investigation or hearing, if:

1. A Complainant notifies the Title IX Coordinator in writing that they would like to withdraw the Formal Complaint or any allegations raised in the Formal Complaint;
2. The Respondent is no longer enrolled in, associated with or employed by the University; or,
3. If specific circumstances prevent the University from gathering evidence sufficient to reach a determination regarding the Formal Complaint or allegations within the Formal Complaint.

Any Party may appeal a dismissal using the process set forth in the Appeals section below.

E. ALLEGATIONS POTENTIALLY FALLING UNDER TWO POLICIES

If a Formal Complaint against a Respondent who is a Student contains allegations of a violation of any of the listed Sexual Misconduct Violations in this Policy, as well as any other violation in the Student Code of Conduct, the Sexual Misconduct Resolution Process set forth in this Policy will be applied in the investigation and adjudication of all of the allegations. If all of the alleged Sexual Misconduct Violations of this Policy are dismissed, and the remaining underlying allegations, if true, would violate another University policy or the University’s Student Code of Conduct, the matter may be referred for further action by the University’s Office of Student Conduct, as appropriate.

If a Formal Complaint against a Respondent who is an Employee contains allegations of violations of Regulatory Prohibited Conduct (Regulatory Quid Pro Quo, Regulatory Hostile Environment Sexual Harassment, Regulatory Dating Violence, Regulatory Domestic Violence, Regulatory Sexual Assault and Regulatory Stalking), the Sexual Misconduct Resolution Process set forth in this Policy will be applied in the investigation and adjudication of those allegations. For all other allegations, the University will follow applicable requirements in University policy and relevant collective bargaining agree-
ments for resolution of the other allegations contained in the Formal Complaint.
If a Formal Complaint against a Respondent who is an Official or Volunteer contains any allegations under this Policy, the University or System will follow applicable requirements in University or System policies or procedures and standards for resolution of the allegations contained in the Formal Complaint.

F. NOTICE OF DISMISSAL

Upon reaching a decision that any specific allegation contained in the Formal Complaint will be dismissed, the University will promptly send written notice of the dismissal and the reason for the dismissal, simultaneously to the parties through their institutional or other provided email account. It is the responsibility of parties to maintain and regularly check their email accounts.

In the event a Formal Complaint is dismissed, the University reserves the right to move the case forward with nonregulatory violations of the Student Code of Conduct. Such a decision will also be included in the Notice of Dismissal.

G. SEXUAL MISCONDUCT INVESTIGATION

1. General Rules of Investigations

The Title IX Coordinator will assign an Investigator to perform an investigation of the conduct alleged under a reasonably prompt timeframe, following issuance of the Notice of Allegations.

West Chester University and not the Parties, has the burden of proof and the burden of gathering evidence, i.e., the responsibility of showing a violation of this Policy has occurred. Either party may decide not to share their account of what occurred or may decide not to participate in an investigation or hearing. This does not shift the burden of proof away from the University and does not indicate responsibility. West Chester University cannot access, consider, or disclose medical records without a waiver from the party (or parent, if applicable) to whom the records belong or of whom the records include information. The University will provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence, (i.e., evidence that tends to prove and disprove the allegations). See Inspection and Review of Evidence section below.

2. Inspection and Review of Evidence

Prior to the completion of the investigation, the parties will have an equal opportunity to inspect and review the evidence obtained through the investigation. The purpose of the inspection and review process is to allow each party the equal opportunity to meaningfully respond to the evidence prior to issuance of the investigation report.

Evidence that will be available for inspection and review by the parties will be any evidence that is directly related to the allegations raised in the Formal Complaint. It will include any:

a) Evidence that is relevant, even if that evidence does not end up being relied upon by the Decision Maker(s) in making a determination regarding responsibility;

b) inculpatory or exculpatory evidence (i.e., evidence that tends to prove or disprove the allegations) that is directly related to the allegations, whether obtained from a Party or other source.

The University will send the evidence to each Party and each Party’s Advisor, if any, to inspect and review through an electronic format or a hard copy. The University is not under an obligation to use any specific process or technology to provide the evidence and shall have the sole discretion in terms of determining format and any restrictions or limitations on access.

The Parties will have 10 days to inspect and review the evidence and submit a writ-
ten response by email to the Investigator. This response should include any new or additional evidence the Party would like the Investigator to consider. The University will provide copies of the Parties’ written responses, and any new or additional evidence provided, to the other Party and their Advisor. The other Party will have 5 days to inspect, review, and respond to the new or additional evidence through a written response to the Investigator. The University will provide copies of the Party’s supplemental written response to the other Party and their Advisor.

The Investigator will consider the parties’ written responses before completing the Investigative Report. Parties may request a reasonable extension of the time to submit a written response, which may be denied in the sole discretion of the Investigator, in consultation with the Title IX Coordinator.

The Investigator has 10 days to generate a report or after the responses to additional evidence are due or, alternatively, may provide the Parties and their Advisors with written notice extending the investigation and explaining the reason for the extension.

The parties and their Advisors are encouraged not to disseminate the Investigative Report or photograph or otherwise copy any of the evidence subject to inspection and review or use such evidence for any purpose unrelated to the Sexual Misconduct Resolution Process.

Any evidence subject to inspection and review will be available at any hearing, including for purposes of cross-examination.

3. Sexual Misconduct Investigative Report

The Investigator will create an Investigative Report that fairly summarizes relevant evidence.

The Investigative Report is not intended to catalog all evidence obtained by the Investigator, but only to provide a fair summary of that evidence.

Only relevant evidence (including both inculpatory and exculpatory – i.e., tending to prove and disprove the allegations – relevant evidence) will be referenced in the Investigative Report.

Evidence obtained in the investigation that is determined in the reasoned judgment of the Investigator not to be directly related to the allegations in the Formal Complaint will be included in the appendices to the investigative report.

4. Ongoing Notice

If, in the course of an investigation, the University decides to investigate allegations about either Party that are not included in the Notice of Allegations and are otherwise covered Sexual Misconduct Violations falling within this Policy or other violations of the University’s Student Code of Conduct, the University will notify the Parties of the additional allegations by their University email accounts or other reasonable means.

The Parties will be provided sufficient time to review the additional allegations to prepare a response before any initial interview regarding those additional charges.

H. GENERAL RULES OF HEARINGS

1. Notice of Hearing

No less than 10 days prior to the hearing, the Office of Student Conduct will send written notice of the hearing to the Parties. The Parties will be notified by their University email accounts or by other reasonable means. Once mailed, emailed, and/or received in-person, notice will be presumptively delivered.

2. Hearing

The University will not issue a Disciplinary Sanction arising from an allegation of a violation of this Policy without holding a hearing, unless otherwise resolved through an informal resolution process or an alternate process permitted under this Policy. If the University determines a hearing is necessary, the Parties cannot waive the right to a hearing.
The University may still proceed with the hearing in the absence of a Party, and may reach a determination of responsibility in their absence. The University will not threaten, coerce, intimidate, or discriminate against the Party in an attempt to secure the Party’s participation.

If a Party does not participate in a hearing or submit to cross-examination in the hearing, the Decision Maker(s) may not rely on any “statement” by that Party. See Cross Examination section below.

The Decision Maker(s) cannot draw an inference about the determination regarding responsibility based solely on a Party’s absence from the hearing or refusal to answer cross examination or other questions.

The hearing may be conducted with all Parties physically present in the same geographic location, or, at the University’s discretion, any or all Parties, Witnesses, and other participants may appear at the hearing virtually through video conferencing technology. This technology will enable participants simultaneously to see and hear each other. At its discretion, the University may delay or adjourn a hearing based on technological errors.

All proceedings will be recorded through audio and/or video recording. That recording or transcript will be made available to the Parties for inspection and review upon request.

3. Continuances or Granting Extensions

The University may determine that multiple sessions or a continuance (i.e., a pause on the continuation of the hearing until a later date or time) is needed to complete a hearing. If so, the University will notify all participants and endeavor to accommodate all participants’ schedules and complete the hearing as promptly as practicable.

4. Participants in the Hearing

Hearings are not public, and the only individuals permitted to participate in the hearing are as follows:

a) The Hearing Officer(s)

b) The Hearing Chair

c) Hearing facilitators,

d) University personnel

e) The Parties

f) Advisor of choice or provided by the University for each Party

g) Witnesses

h) Any individuals necessary to provide interpretation or other support services associated with reasonable accommodations to facilitate participation in the hearing.

The Hearing Officer(s) will not have a conflict of interest or bias in favor of or against Complainants or Respondents generally, or in favor or against the Parties to the particular case. The Parties will have an opportunity to raise any objections regarding a Decision Maker’s actual or perceived conflicts of interest or bias at the beginning of the hearing.

Parties and Witnesses cannot be compelled to participate in the hearing, and have the right not to participate in the hearing free from retaliation.

I. DECISIONS

A. General Considerations for Evaluating Testimony and Evidence

1) While the opportunity for cross-examination is required in all hearings under this Policy, determinations regarding responsibility may be based in part, or entirely, on documentary, audiovisual, and digital evidence, as warranted in the reasoned judgment of the Hearing Officer(s).
2) Hearing Officer(s) shall not draw inferences regarding a Party or Witness’ credibility based on the Party or Witness’ status as a Complainant, Respondent, or Witness, nor shall it base its judgments in stereotypes about how a Party or Witness would or should act under the circumstances.

3) Generally, credibility judgments should rest on the demeanor of the Party or Witness, the plausibility of their testimony, the consistency of their testimony, and its reliability in light of corroborating or conflicting testimony or evidence.

4) Credibility judgments should not rest on whether a Party or Witness’ testimony is non-linear or incomplete, or if the Party or Witness is displaying stress or anxiety.

5) Where a Party or Witness’ conduct or statements demonstrate that the Party or Witness is engaging in retaliatory conduct, including but not limited to witness tampering and intimidation, the Hearing Officer(s) may draw an adverse inference as to that Party or Witness’ credibility.

6) Hearing Officer(s) will afford the highest weight relative to other testimony to first-hand testimony by Parties and Witnesses regarding their own memory of specific facts that occurred. Both inculpatory and exculpatory (i.e., tending to prove and disprove the allegations) evidence will be weighed in equal fashion.

7) The Final Rule requires the University to admit and allow testimony regarding polygraph tests (“lie detector tests”) and other procedures that are outside of standard use in academic and non-academic conduct processes. While the processes and testimony about them will be allowed to testify and be crossed as required by the Final Rule, the Hearing Officer(s) will be instructed to afford lower weight to such processes relative to the testimony of fact witnesses.

8) The Final Rule requires the University allow parties to call character witnesses to testify. The University does not provide for character witnesses in other proceedings. While the character witnesses will be allowed to testify and be crossed as required by the Final Rule, the Hearing Officer(s) will be instructed to afford very low weight to any non-factual character testimony of any Witness.

B. Timeline for Decision
If there are no extenuating circumstances, the determination regarding responsibility will be issued by the University within 10 days of the completion of the hearing.

C. Finality
The determination regarding responsibility becomes final either upon the outcome of any appeal or the expiration of the window to appeal without an appeal being requested as set forth in the Appeals section below.

J. DISCIPLINARY SANCTIONS AGAINST STUDENTS

A. Possible Disciplinary Sanctions
The University may impose the following Disciplinary Sanctions upon Students, singly or in combination and are listed with the description of violations.

B. Previous Disciplinary Sanctions
Previous Disciplinary Sanctions of any kind involving the Respondent may be considered in determining an appropriate sanction upon a determination of responsibility. This information is only considered at the sanction stage of the process.

C. Timing
The Disciplinary Sanctions will be implemented as soon as is feasible, either upon the outcome of any appeal or the expiration of the window to appeal without an appeal being requested.
K. DISCIPLINARY SANCTIONS AGAINST EMPLOYEES, OFFICIALS AND VOLUNTEERS

A. Possible Disciplinary Sanctions
Disciplinary Sanctions imposed on an Employee for violating this Policy, subject to an applicable collective bargaining agreement or University/System policies, may include a penalty up to and including separation from employment.

Disciplinary Sanctions imposed on an Official or Volunteer may include a penalty up to removal or the request for removal of the Official or Volunteer from their respective position.

B. Timing
The Disciplinary Sanctions will be implemented as soon as is feasible, either upon the outcome of any appeal or the expiration of the window to appeal without an appeal being requested.

V. Sanctions
Sanctions include status changes and task conditions.

A. INDIVIDUAL STUDENTS

Individual students held responsible for violating the Student Code of Conduct will be subject to one or more of the following sanctions. For students under 21, parents/guardians may be notified in writing about drug and alcohol violations unless the student shows proof of their independent status. The student will have five University business days from the date of the sanction outcome letter to show such evidence using the Proof of Independent Status Form. If at any time during their probationary period the student violates University regulations, they may be subject to additional sanctions to include suspension from the University.

Failure to complete the sanctions in the time indicated may result in an academic hold placed on their records which will prevent them from registering and/or amending their class schedule.

1. Residential Warning: In instances of less serious deviations from the Office of Residence Life’s Residential Policies, the student(s) may be provided a verbal or written warning of the possible consequences of continuing such behavior.

2. Residential Reprimand: This action is a formal admonition on behalf of the Office of Residence Life and is intended to clearly document that the behavior has been deemed inappropriate.

3. Residential Probation: This action signifies that a student is no longer in good standing with the University’s residential living program. The student is also advised that any subsequent violation of the Student Code of Conduct may result in the student’s involuntary relocation or removal from University owned or affiliated student housing for a designated period of time. A student will remain on Residential Probation, at least, through the date indicated or until the date all assigned sanctions have been completed, whichever occurs later.

4. Interim Residential Suspension: The Assistant Dean or designee may impose an interim loss of housing wherein the student whose presence in residence constitutes a threat to the health, safety, and welfare of the student or others, or the welfare of the University, its property, or personnel. The student is involuntarily removed from University owned or affiliated student housing for a designated period of time. During this time, the student is banned from all University owned or affiliated student housing. In such cases, an administrative hearing will be convened within 10 University days, unless extenuating circumstances warrant an extension, in which case a hearing will be provided at the earliest possible date. There will be no refunding of housing fees in accordance with University policy.
5. **Residential Suspension**: The action indicates that the student has been temporarily removed from University housing for a specified period of time or until the completion of specific conditions. A residential suspension involves the student’s removal from housing altogether; however, a student may reapply for housing at a later date. Access to all University owned or affiliated student housing is prohibited during the residential suspension. There will be no refunding of housing fees in accordance with University policy. The hearing officer may establish requirements that must be fulfilled to their satisfaction prior to reinstatement in University owned or affiliated student housing. Arrangements for continuation of the meal plan must be made with the Associate Director of Housing and Dining Administration. A student may not return to University owned or affiliated residential housing with incomplete sanction conditions. Students eligible to return to University owned or affiliated student housing must apply for consideration to the Dean of Students. No housing or room selection priority will be afforded to the student when returning to University owned or affiliated student housing.

6. **Residential Loss of Housing**: The student is informed in writing that, as a result of the sanction imposed, they are involuntarily and permanently removed from University owned or affiliated student housing. Access to University owned or affiliated student housing including visitation is prohibited. Removal from University owned or affiliated student housing means that the student must properly check out of their room or apartment in accordance with existing University procedures within the time constraints established by the hearing officer. There will be no refunding of housing fees in accordance with University policy. Arrangements for continuation of the meal plan must be made with the Associate Director of Housing and Dining Administration.

7. **Disciplinary Reprimand**: The student is informed in writing that their behavior is in violation of University regulations. It is intended to communicate most strongly both the disapproval of the behavior, and to remind the student of their responsibility to the University community. It is an assumption that repetition of the behavior is not likely. However, it is to be understood that further misconduct may result in additional disciplinary action.

8. **Disciplinary Probation**: The student is informed in writing that they are being placed on disciplinary probation for a specific period of time. Probation is a period of time during which the student must demonstrate the ability to comply with University rules, regulations, and other requirements as stipulated by the sanction. Any subsequent violation of University regulations during the probationary period will be evaluated within the context of the student’s probationary status. This sanction may specify any conditions with which the individual must comply, any privileges that may be withheld, and/or the loss of privilege to represent the University in an official capacity (e.g., varsity and non-varsity intercollegiate events, plays, holding office, or participation in University government or related groups). Probation may also include a written agreement between the student and the University, which is in effect for a specific period of time. A student will remain on Disciplinary Probation through the date indicated or until the date all assigned sanctions have been completed, whichever occurs later. Students found responsible for any further violation of the Student Code of Conduct while on probation may be suspended from the University.

9. **Final Disciplinary Probation**: Final probation is imposed only in very serious cases stipulating that a student, in lieu of active University suspension, is being allowed to remain at the University provided that the student adheres to certain conditions, as set by the board or administrator. Final probation may include removal from all University housing and loss of visitation privileges to buildings or areas of the University and is imposed for a specified period of time. A student will remain on Final Disciplinary Probation through the date indicated or until the date all assigned sanctions have been completed, whichever occurs later. Students found responsible for any further violation of the Student Code of Conduct while on final probation may be suspended from the University.

10. **Interim University Restriction**: The student is immediately prohibited from all or
some of the University facilities as noted in the letter. A University restriction includes but is not limited to Lawrence Hall, the Recreation Center, University athletic spaces, fields, parking lots and all University owned and University affiliated student housing. If the student resides on-campus, they will need to vacate their residence until this matter is resolved. Failure to vacate and return the key by the due date, or abide by University policies will result in an immediate period of disciplinary suspension until the violations of the Student Code of Conduct can be addressed.

11. **Interim Action:** The Assistant Dean or designee may impose an interim action including removal from University owned or affiliated student housing upon any student whose presence on-campus constitutes a threat to the health, safety, and welfare of the student or others, or the welfare of the University, its property, or personnel. During an interim suspension process, a student may not attend classes or participate in online or distance education courses, participate in University activities, and/or be on University property. The interim action provision shall remain in effect until such time it has been modified by the Assistant Dean. In such cases involving currently enrolled students, an administrative hearing will be convened within ten University days, unless extenuating circumstances warrant an extension, in which case a hearing will be provided at the earliest possible date. For student who are not currently enrolled, their hearings may take up to 60 University days for scheduling.

12. **Disciplinary Suspension:** The student is informed in writing that they are being involuntarily separated from the University for a designated period of time. A student may not attend classes or be enrolled in online or distance education, take exams, receive grades, or be on authorized University property except for authorized University business during the suspension period. Authorized University business must be approved in advance by the Assistant Dean, or designee. After this period of suspension, the student must seek written approval from the Assistant Dean to return to the University as a student or visitor. Students suspended for two or more consecutive semesters must also reapply through the Office of Admissions. The hearing officer may establish additional requirements that must be fulfilled to the Assistant Dean’s satisfaction prior to reinstatement. There will be no refunding of tuition or fees. The assignment of grades will be in accordance with the policy established for suspensions/ expulsions. The student’s parents, guardians, or sponsors may be notified in writing in accordance with the policy previously cited.

13. **Disciplinary Expulsion:** The student is informed in writing that they are being expelled from the University. This action is one of involuntary separation from the University. The relationship between the student and this University is permanently terminated. A student is not permitted on University property. There will be no refunding of tuition or fees. The assignment of grades will be in accordance with the policy established for suspensions/ expulsions. The student’s parents, guardians, or sponsors may be notified in writing in accordance with the policy previously cited.

**B. SANCTION CONDITIONS**

The student may be assigned an educational task(s) that benefits the individual, University, or community. This task(s) is assigned as a condition of another sanction such as disciplinary reprimand, probation, or suspension. Tasks must be reviewed and accepted by the Office of Student Conduct. Registration and/or transcript holds maybe placed pending the receipt of required documentation. In case outcomes which include University service or access restrictions, the fees for restricted services will not be refunded. Conditions are case-specific and may include, but are not limited to:

1. **Choices Alcohol Education:** Group workshops for first-year students designed to provide information on the effects of alcohol/drugs, self-evaluations for alcohol/drug use, and development of a plan to reduce risks associated with the use of alcohol.
2. **Wellness Coaching:** Wellness Coaching is an individualized process that supports students in exploring and practicing strategies to support their health and well-being focusing on the four “S’s”: stress, sleep, social support, and substance use. Coaching is a short-term, action-oriented tool to help students work towards their health and well-being vision utilizing sustainable strategies in a supportive environment. The Wellness Coaching program includes participation in one 1-hour meeting and at least two 30-minute follow-up conversations over a six-week period with a trained coach.

3. **RAM Support Group:** Referral to the support group provides a forum in which to explore the role substance use plays in the student’s life, and to afford an opportunity to examine personal issues that appear to be negatively impacting decision-making. When appropriate, additional treatment (e.g., individual or group counseling) may be recommended to provide increased awareness, additional strategies, resources, and appropriate referrals to ensure student success. Therefore, additional counseling, beyond the group session may be expected to complete this sanction.

4. **Counseling:** The student is informed in writing that as a result of the sanction imposed, they are required to engage professional services to; enhance how their behavior and attitude impact choices; enhance their interpersonal skills; and/or learn ways to reduce stressors that may affect the student’s ability to be successful. The student assumes the financial responsibility of fees associated with the counseling arrangements. Students who have incomplete requirements may not return to University owned or affiliated residential housing.

5. **On- or Off-Campus Alcohol/Drug Assessment:** The student is informed in writing that as a result of the sanction imposed, they must obtain an assessment from a licensed provider to address the use of substances, both legal and illegal, and to examine personal issues that may be impacting decision-making. The student assumes financial responsibility of any fees associated with the assessment. A student may not return to University owned or affiliated residential housing with incomplete sanction conditions.

6. **Residential Reassignment:** The student is informed in writing that as a result of the sanction imposed, they are being involuntarily reassigned to a new housing assignment on-campus. If the new housing assignment has a higher rate, the student is responsible for the additional charge. If the new housing assignment has a lower rate, the student will receive a pro-rated adjustment. This action may include restriction from entering specific University owned or affiliated student housing buildings for a designated period of time, which may be permanent.

7. **Residential Nonrenewal:** The student is informed in writing that as a result of the sanction imposed, they will not be permitted to renew their lease for the next or future term in University owned or affiliated student housing. Students found responsible for any further violation of the *Student Code of Conduct* while on non-renewal status may be immediately removed from University housing.

8. **Loss of University Dining Facility(s) Privileges:** The student is informed in writing that they are being involuntarily removed from the dining hall for a designated period, which may be permanent. Removal from the dining hall means that a student may not purchase or use a meal card in University dining facilities.

9. **Failing Grade:** In cases involving violations of the Academic Integrity Policy, a failing grade, or a grade of zero for either an assignment and/or a course may be administered.

10. **Hold on Records:** The University may withhold transcripts, diplomas, class registration privileges, or other official records pending the disposition of cases and completion of sanctions if such action is reasonably necessary to preserve the University’s ability to enforce its disciplinary rules.

11. **Financial Restitution:** Financial restitution may be imposed on students whose violation of these standards has involved monetary loss or damage. Restitution as imposed by the hearing officer becomes a financial obligation to the University.
Either full payment or an agreement for partial payment according to a schedule agreed to by the Office of Student Conduct is required before the student may register for classes again, or in the case of seniors, before the student may graduate.

12. Fines: The implementation of these fines for alcohol and/or drug violations may be in addition to sanction conditions including, but not limited to, Alcohol/Drug Education Workshops, referrals for substance abuse treatment, community service, and/or other sanctions. Students found in violation of this policy may be subject to the following fines:

   a. Alcohol Violation (#7)
      • First offense – $100
      • Second offense – $200
      • Third offense – $300

   b. Drugs and/or Drug Paraphernalia (#8)
      • First offense – $100
      • Second offense – $200
      • Third offense – $300

13. Failure to Comply and Sanction Violations: These sanctions may carry with them a $50 noncompliance fine and/or a hold placed upon a student’s University record. The student must make this payment directly to the Bursar’s Office within 30 days from notification thereof. Failure to make the payment may result in additional University action.

C. STUDENT GROUP SANCTIONS

Student groups held responsible for violating the Student Code of Conduct, often in consultation with the national, University, and/or group administration, will be subject to one or more of the following penalties, and the full range of sanctions conditions:

1. Disciplinary Group Reprimand: The group is informed in writing that the group has been found responsible of a violation of University regulations. It is intended to communicate most strongly both the disapproval of the behavior and to remind the group of its responsibility to the University community. Student groups are thus expected to reflect upon their decisions and to be mindful of how their future choices and actions may impact themselves, others, and the University community. It is an assumption that repetition of the behavior is not likely. However, it is to be understood that further misconduct may result in additional disciplinary action.

2. Disciplinary Group Probation: The group is informed in writing that it is on probation for a specified period of time. Probation is a period of time during which the group must demonstrate the ability to comply with University rules, regulations, and other requirements as stipulated by the sanction. During this time, the group may be required to complete an educational task or service project. A student group will remain on Probation through the date indicated or until the date all assigned sanctions have been completed, whichever occurs later. Conditions that restrict privileges may also be imposed. If, during this time, the group becomes involved in additional violations of University regulations, further disciplinary action will be taken.

3. Interim Disciplinary Group Suspension: The Assistant Dean or designee may impose an interim action upon any student group whose presence constitutes a threat to the health, safety, and welfare of its members or others, or the welfare of the University, its property, or personnel. In such cases an administrative hearing will be scheduled within fifteen (15) University days unless extenuating circumstances warrant an extension, in which case a hearing will be provided at the earliest possible date.

4. Interim Group Action: The Assistant Dean or designee may impose a loss of privileges upon any student group.
5. **Final Disciplinary Group Probation:** In lieu of active University suspension, the Group is being allowed to remain active at the University provided that it adheres to certain conditions, as set by the hearing officer or board. A final probation status means that ANY violation of the West Chester University Student Code of Conduct by the group, during this time, will result in the group’s immediate suspension from West Chester University. A student group will remain on Final Probation, at least, through the date indicated or until the date all assigned sanctions have been completed, whichever occurs later.

6. **Disciplinary Group Suspension:** The group is prohibited from conducting any and all group activity on- or off-campus. All events should be canceled immediately and not resume until the stated date. This includes, but is not limited to, meetings, recruitment, fundraising, educational programs, and socials. During the period of suspension, if the group is found operating without permission from the Office of Student Conduct, they would be subject to additional violations of the Student Code of Conduct. For reinstatement to occur, within 30 days of the conclusion of the suspension period, a designated group leader will need to make an appointment with the Office of Student Conduct to arrange for the removal of the University ban and hold on the group’s status. A student group who fails to or submit sanction conditions as directed during this period will be subject to a separate charge for failure to comply and a new sanction that may include Group Disestablishment.

7. **Disciplinary Group Disestablishment:** The group loses formal University recognition and is prohibited from conducting any and all group activity on- or off-campus for a specified period of time. All events must be canceled immediately. Should the group wish to return to campus after the sanctioned date, they must meet all current group establishment procedures published by the appropriate University office upon application for reestablishment.

**D. STUDENT GROUP SANCTION CONDITIONS**

1. **Activity:** The required participation by the organization in specified group activity(s), service projects, educational programs, or other assignments.

2. **Social Limitation or Suspension:** An organization may be denied formal or informal sponsorship of or participation in one or more of the following for a specified period of time: inter- or intra-organizational social activities, formals, all-Greek or all-University events or activities, or any other event of a social nature.

3. **Intramural Suspension:** A specific length of time in which the group may not participate in individual or team sports or the intramural league, earn intramural points, or receive any championship titles.

4. **Loss or Restriction of Privileges or Activities:** The withdrawal of the use of services or privileges as a student group or the loss of the privilege to participate in an activity or event. This sanction is generally for a specified period of time. Examples of privileges that can be lost include, but are not limited to, recruitment freeze, suspension of the student group’s funds, suspension of access to the group’s web space, suspension of the ability to reserve University facilities, suspension of the ability to apply for Student Activity Fee funding, suspension of fund-raising activities, suspension of access to office space, and others.

5. **Membership Review:** The group is required to review and affirm each person’s commitment to the expectations of group membership. This requires a process of one-on-one interviews with each member and a member of the national or international staff, and may also, on occasion, include a University advisor or administrator. All members should welcome this process as an opportunity to excel and discuss any potential deficiencies in group operations.

6. **Member Intake and Recruitment Review:** Groups are required to submit a plan on how they will emphasize group values during the intake process. The plan must include the expected date, time, location, and detailed activities, goals, participant learning outcomes, and the event assessments.
7. **New Member Process Board Election:** After receiving permission from the Office of Student Conduct, the group is to hold an election to identify new leadership to manage the directives in the outcome letter. This election must meet the following criteria:
   - The election process will be facilitated by a non-respondent upper class student in the presence of the University advisor.
   - The sole purpose of this meeting is to elect leaders for the group.
   - Minutes from the meeting, including the outcome of the election, must be emailed to the Office of Student Conduct, and your faculty advisor within 24 hours of the election and include the outcome.

8. **Educational Workshops:** Educational workshops can be assigned for groups that violate policies related to University protocols. Examples include, but are not limited to, workshops regarding the process to reserve University space, budget procedures, the appropriate use of Student Activity funds, and others. Educational workshops may be assigned in conjunction with or in lieu of another sanction.

9. **Document/Policy Development:** The creation of a new internal process or amendment to a group’s bylaws may be assigned to address the absence of a policy and/or continued issues a student group may be facing on a regular basis.

10. **Sanctioned Service:** Service projects or service hours may be assigned to a student group if it is deemed that such an assignment would have the most impact on the group. The service will be related to the kind of violation that occurred. Sanctioned service may be assigned in conjunction with or in lieu of another sanction.

11. **Mandatory Restitution:** Financial restitution could be sanctioned for monetary loss or damage.

12. **Other Sanctions:** The University reserves the right to impose other sanctions in addition to those listed above in response to specific circumstances of a case.

---

**VI. Appeals**

13. Upon receiving an Outcome Letter from the hearing officer/board or a dismissal of a Formal Complaint (or any allegations or a determination of responsibility) from the Title IX Coordinator, each Party may appeal on the following grounds:
   - A procedural irregularity under the University policy or procedures that affected the hearing outcome.
   - New evidence that was not reasonably available through the exercise of reasonable diligence at the time of the hearing or dismissal of the Formal Complaint that could affect the outcome of the matter.
   - The Title IX Coordinator, Investigator(s), or Decision Maker(s) had a conflict of interest or bias for or against an individual party, or for or against complainants or respondents in general, that affected the outcome of the matter.
   - The Disciplinary Sanction imposed was grossly disproportionate to the violation(s).

All appeals must be made in writing by the published appeal date (5) five days noted on the outcome letter and submitted via the Office of Student Conduct Outcome Appeal. The appeal should explain in detail the basis of the request, including any supporting documentation. With the exception of interim measures, upon receipt of the written appeal, the Office of Student Conduct will defer the imposition of the sanction(s) pending the outcome of the appeal process.

The appeals of group misconduct by groups who are affiliated with a national or international organization must be accompanied by a letter of support for the appeal.

B. Supportive Measures and remote learning opportunities remain available during the pendency of the appeal.
C. If a party appeals in a sexual misconduct case, the University will notify the other party in writing of the appeal as soon as practicable, however the time for appeal shall be offered equitably to all parties and shall not be extended for any party solely because the other party filed an appeal. If the basis of the appeal is that the Disciplinary Sanction imposed was grossly disproportionate to the violation(s), the other Party will be given 5 days to respond to the appeal after being notified.

D. Appeals will be decided by a University Appeals Board, who will be free of conflict of interest and bias, and will not serve as an Investigator, Title IX Coordinator, Advisor or Decision Maker in the same matter.

E. The appealing party must meet its burden to demonstrate the outcome was affected by a preponderance of the evidence. The role of the University Appeals Board is not to reweigh the evidence. The Appeals process will confine their review to the basis of appeal alleged and may modify the sanction or in the event of new information, remand back to the original hearing board to reweigh the new evidence. The University Appeals Board may modify the Disciplinary Sanction if an appeal on the basis of the severity of the sanction is grossly disproportionate to the violation(s). Disciplinary Sanction being imposed is granted. In the event a Disciplinary Sanction is modified and the case involves sexual misconduct, the other party will be notified of the modified Disciplinary Sanction.

F. In cases involving sexual misconduct, the outcome of appeal will be provided in writing simultaneously to both Parties, and include rationale for the decision.

G. Appeals will be forwarded to a University Appeals Board for review in a timely manner. Appeal Boards are comprised of one professional staff member, one faculty member, and one student chosen from active members of the University Hearing Board. When necessary, a University Hearing Board may be convened by a quorum. A quorum in this case would be a combination of at least two of the previously mentioned individuals.

   a. The Appeals Board will review the written appeal and all documentation contained within the student’s or group’s disciplinary file.

   b. The Board is not obligated to reconvene a hearing if a violation of procedure is found. However, if a new hearing is granted, the same procedures used for the original hearing will be followed. All meetings and hearings of the appeal process are closed proceedings.

   c. The Appeals Board by a simple majority vote will uphold the sanction, modify the sanction, or order a new hearing.

H. A second level appeal may be made to the Vice President for Student Affairs or their designee to review the appeal decision. An appeal to the Vice President for Student Affairs must be presented within five (5) business days of formal notification of the appeal decision. This must be submitted in writing via the Office of Student Conduct Outcome Appeal Form found in the outcome letter and online.

   • An appeal to the Vice President for Student Affairs must include clear reasons to overrule the decision of the first appeal. An appeal to the Vice President for Student Affairs should include information to support the following reasons for the appeal:

      • A procedural irregularity under the University policy or procedures that affected the hearing outcome.

      • New evidence that was not reasonably available through the exercise of reasonable diligence at the time of the hearing or dismissal of the Formal Complaint that could affect the outcome of the matter.

      • The Title IX Coordinator, Investigator(s), or Decision Maker(s) had a conflict of interest or bias for or against an individual party, or for or against complainants or respondents in general, that affected the outcome of the matter.

      • The Disciplinary Sanction imposed was grossly disproportionate to the violation(s).
The student petitioning for a second-level appeal will be notified of the decision of the Vice President for Student Affairs, or designee, within a reasonable period of time. The second level appeal is the final step in the West Chester University process.

VI. Disciplinary Records and Retention

A. All students’ disciplinary records are kept in accordance with the Family Educational Rights and Privacy Act (FERPA) of 1974 (the “Buckley Amendment”), 20 U.S.C. 1232g. In accordance with these provisions, all disciplinary files are confidential and may only be accessed by the student, parents of dependent students (as defined by the Internal Revenue Service), or by a person or agency possessing a waiver signed by the student waiving his/her right to this protection and meeting the requirements for valid waivers under the “Buckley Amendment.” West Chester University will disclose disciplinary cases of students who have been found in violation of University policies and regulations in which the minimum outcome resulted in any period of probation.

B. In accordance with FERPA § 99.31, if a student is under the age of 21 and they are found or accept responsibility for the use or possession of alcohol or a controlled substance, parents/guardians may be notified of the violation(s) unless the student shows proof of their independent status. The student will have five University business days from the date of the sanction outcome letter to show such evidence using the Proof of Independent Status Form.

C. West Chester University will also allow access to a disciplinary record in order to comply with a subpoena or court order served upon it. When served with a subpoena or court order, the University will notify the student in writing that it is complying with the court order. The University will disclose the outcome of a disciplinary proceeding alleging sexual misconduct to both the complainant and the respondent individuals. The University may disclose the results of a disciplinary proceeding brought against the alleged perpetrator to the alleged complainant of any crime of violence, as that term is defined in 18 U.S.C. 16.

D. The release of records relating to the Student Group Discipline Process will be managed by the Assistant Dean in consultation with appropriate staff within Student Affairs and the University. There may be times when it is appropriate or necessary to release the interim status or outcome of a particular conduct meeting/hearing to those both within and outside of the University. Those types of decisions will be made on a case-by-case basis. FERPA requires the confidentiality of individual student records.

E. West Chester University maintains disciplinary records of students. These records are maintained separately from the student’s official academic records.
