Title IV Federal Student Aid
Satisfactory Academic Progress Appeal
Application and Instructions

To be eligible to receive Title IV federal student aid (i.e., Pell Grant, Teach Grant, Direct Student Loan, Perkins Loan, FSEOG, Work-Study, Nursing Loans, PLUS Loans), students must maintain satisfactory progress as stated in West Chester University's Financial Aid Satisfactory Academic Progress (SAP) Policy. This policy complies with the U.S. Department of Education federal regulation Section 668.32.

The Financial Aid Office reviews academic progress annually after spring grades are processed. Students who do not meet the satisfactory academic progress requirement are notified of their ineligibility for federal aid and have the option to appeal. The submission of an appeal application does NOT GUARANTEE the reinstatement of cancelled aid. Students are strongly encouraged to make payment arrangements with the Bursar's Office while their appeals are being considered.

Recognizing the often personal and sensitive nature of a student's request, the appeal materials are held in strict confidentiality. It is important to complete and submit this application in the manner described, for review by the Appeals Committee. The Committee is comprised of representatives from both the Academic Affairs and Student Affairs Divisions. Some examples of reasons for an appeal may include:

1. The death of an immediate family member (parent, spouse, sibling, child).
2. Serious illness (physical or mental) of the student that may have necessitated withdrawal from all classes in order to recover, or that may have contributed to the student doing poorly in his/her classes.
3. Serious illness or injury of an immediate family member that required extended recovery time.
4. Significant trauma in the student's life that impaired his/her emotional and/or physical health.
5. Other documented unexpected circumstances beyond the student's control.

During peak times appeals may take up to 14 business days to review. Incomplete appeals will be delayed. Applications received after the deadline will not be reviewed AND will be returned. Students are notified in writing regarding the outcome of the appeal. Students granted an appeal will be placed on Financial Aid Probation and receive their federal aid for that payment period. The denial of an appeal does not prohibit students from enrolling at WCU, but students are responsible for their University balances. Students will not receive federal aid until satisfactory academic progress is met.

Note: There is separate process and application to appeal a PA State Grant.

STUDENTS ARE ENCOURAGED TO CONTACT THE BURSAR'S OFFICE TO DISCUSS PAYMENT PLAN ARRANGEMENTS.
