West Chester University offers **80+ graduate certificates, master's and doctoral degree options** to help you skill up and pursue your passions. Our tuition is among the lowest in the Philadelphia area; we offer in-person, hybrid, and fully online courses; and we are nationally ranked and accredited. Students who work for employers that offer tuition reimbursement can defer their tuition payments until the end of the semester. Application fee waivers are also available.

Join us for an upcoming information session to learn more about our graduate programs, financial support opportunities, and application process. Scan the QR code below to request more information.
