Article V. Parliamentary Procedures

Roberts Rules of Order Newly Revised shall be the authority on all questions of procedure not otherwise provided in the I.F.C. bylaws.
Article VI Scholarship Policy

Section 1: Authority
This policy shall be considered a governing document of the Inter-Fraternity Council, upon passage by a two-thirds majority of the Inter-Fraternity Council, making changes to the Inter-Fraternity bylaws and any passages that may conflict. It shall be the duty of the Vice President of Scholarship, with the assistance of the Inter-Fraternity Council executive board and the Director of Greek Life Programs to monitor and enforce this policy.

Section 2: Goals
The goal of the Inter-fraternity Council Scholarship Policy is to raise the all male fraternity GPA above the all male GPA on campus. Each individual fraternity, with it’s own policy should strive to raise their GPA above the all male GPA. Furthermore, new member grades will reflect the positive impact that joining a fraternity can have, rather than the negative. This is reflected by new member GPA’s that exceed the all male average, as well as the new student average for new freshmen joining in the fall.

Section 3: Intramural Participation

A. Chapter
If the fraternity man is a full time student with 12 credits, and the sum of his cumulative GPA and his previous semester’s GPA is greater than or equal to a 4.75, then the fraternity man in question will be granted the privilege of participating in the fraternity intramurals league for the semester.

B. New Members/ Associate Members
As first semester freshman do not have a recorded GPA, the above statement does not apply to them.
New Members/Associate Members are permitted to participate in the fraternity intramural league and associate members may not participate in more than two sports.
If the Associate Member is an upper classmen, having an established GPA, then the above section bids to them.
The Internal Vice President will assist the Vice President of Scholarship with the enforcement of the section. Non-compliance with either the new member or chapter standing will result in penalties.

Section 4: Leadership Opportunities

Chapter Any individual fraternity member wish to hold IFC office, must meet a cumulative GPA of 2.75 upon election and maintain this requirement while in office, in addition to the existing requirements in the Inter-Fraternity Council Bylaws.
All chapters must have their academic policies on file with the Inter-Fraternity Council and an academic probation policy to aid those members that fail to meet the minimum academic requirements for those members to improve their grades.

Section 5: New Member Education

Each Chapter shall provide for the Director of Greek Life Programs a written new member program and calendar of events for that program. This program will not exceed seven weeks.
At the beginning of each semester, the Vice President of Scholarship along with the External Vice President will coordinate a New Member Educator retreat to discuss and train new member educators, and to focus on scholarship and plan worthwhile activities for new members.
Two weeks into the New Member Education, the New Member Educators will receive a Mid-Semester Grade Report to give to the New Members. The report is to be completed and returned within two weeks to the Vice president of Scholarship. If the chapter does not return their reports
Section 6: Sanctions

Any Chapter that falls below a 2.5 will be automatically placed on academic probation. The chapter must create an academic improvement plan and have it approved by the IFC executive board council prior to mid-semester.

First Offense
A chapter whose GPA is below a 2.5 from the previous academic term will pay a 10% penalty on regular chapter dues.

Second Offense
Any Chapter that falls below a 2.5 will face the penalty of paying $3 per man in addition to semester dues. The fines will be added by using the active members on file with the Coordinator of Greek Life. Total academic fines are not to exceed $3 per man.

If a Chapter falls below a 2.5 GPA for two or more consecutive semesters, it will have to appear before the IFC executive board and may lose their good standing with the Inter-fraternity Council.

Section 7: Incentives

The following will be offered as an incentive to the chapters and Greek men who achieve the following criteria.
A Chapter whose GPA is over the all-male average on the university for the previous academic term will receive a 10% discount on their regular per-member dues.
A letter of congratulations will be sent out to the National Fraternity of the chapter with the highest overall chapter GPA and to the chapter with the highest new member GPA.
The Inter-Fraternity Council will pay for the Intramural participation in one sport during the semester for the chapter with the previous semester's highest GPA.
Each Greek male receiving a 3.0 GPA or better for a given semester will have his name included in congratulations.
A one hundred dollar scholarship off dues will be made available to the member with the highest GPA in his individual class. This will be made available to only three different fraternities. The three fraternities will be defined by individual GPAs.

Section 8: IFC Outstanding Brothers

Towards the end of each semester the “Outstanding Brothers” domination sheet will be passed out. Each chapter will nominate their Brother of the year and their MVP in sports. All the people nominated along with any Greek male who earned a 4.0 will get their name put into a hat to have a chance to get their next semester dues paid. The executive board will determine the amount of money given away towards the payment of dues.

Section 9: Appeals Process

If a chapter decides to appeal a particular section of the scholarship policy due to extreme extenuating circumstances, a formal letter of appeal from the president of the given chapter should be given to the Vice President of Scholarship. The letter will then be presented to the IFC executive board for a majority decision. The board may then take any action necessary to correct the situation.
Article VII. Amendments

A. The I.F.C. bylaws shall be amended by two-thirds (2/3) vote of the total voting membership of the I.F.C.
B. All proposed amendments to the I.F.C. bylaws must be given to the I.F.C. Vice-President of Communications prior to the start of the meeting in which the amendment is to be proposed.

Article IX. Judicial Board Policy of the Inter-Fraternity Council

West Chester University
Judicial Board Policy of the Inter-Fraternity Council

Purpose

The Judicial Board was established because the Inter fraternity Council (IFC) recognized the need to regulate and adjudicate organizational activities and membership. The Judicial Board will interpret the actions of the member fraternities as set forth by the IFC Constitution and other IFC policies. The Judicial Board is educational in nature and will function with the best interests of the University and the IFC member fraternities uppermost in mind.

Jurisdiction

The IFC has jurisdiction over all member fraternity chapters and colonies to enforce IFC and University policies, rules, and regulations. Instances of alleged misconduct may result in referral to the Judicial Board or appropriate University body for disciplinary action.

Actions taken by or pending by a fraternity’s own Judicial Board, a fraternity’s administrative office, by the appropriate University body, or the state of Pennsylvania will not affect the determination of whether or not a case is referred to the Judicial Board.

Fraternity misconduct need not be officially sanctioned by the entire membership nor is there a minimum number of chapter members who must be involved in an incident before disciplinary action may be taken against a chapter. A complaint may be considered a matter for referral to the Judicial Board whenever the actions of a fraternity could reasonably be expected to reflect negatively upon the fraternity system or may cause conflict within the Greek community.

Composition

The Judicial Board shall be composed of eleven members including the IFC Vice President of Standards, and eight voting Delegates, one from each chapter, the IFC Parliamentarian, and the Greek Life Advisor.

The eight Delegates will be nominated by the members of their respective chapters and approved by the majority vote of the IFC Legislative body. An application and interview may be used by the IFC Executive Council as a selection process for each Delegate. The
respective chapters may nominate new Delegates anytime there is an opening on the Judicial Board.

**Vice President of Standards**

The Vice President of Standards will have the following responsibilities:

1. To serve as a non-voting member and the chair of the Judicial Board and a non-voting member of the Executive Board;  
2. To educate new Delegates or Alternate Delegates on the procedures of the Judicial Board;  
3. To assist the Director of Greek Life & IFC President in the investigation of alleged misconduct of a fraternity;  
4. To assist the Director of Greek Life & IFC President in resolving complaints and conducting the initial mediation between the chapters involved in the case;  
5. To consult with the Director of Greek Life & IFC President in determining whether the case is to be referred to the Judicial Board;  
6. To prepare a written report to the Judicial Board detailing the facts uncovered in the preliminary investigation;  
7. To make the arrangements for Judicial Hearings;  
8. To complete a case folder after the completion of each case including the decision of the Judicial Board and all pertinent information regarding the case;  
9. To deliver a decision letter to the involved chapter within ten days;  
10. To deliver a case folder to the Director of Greek Life within ten days of the hearing;  
11. To review all complaints filed during summer and other extended class breaks.  
12. To sign and date the Judicial Board Policy after it has been updated.  
13. To vote only in the event of an unbreakable tie.  

If the fraternity of which the Vice President of Standards is a member is involved in the incident, either as the complainant or the accused fraternity, the judicial responsibilities of the Vice President of Standards, as they pertain to the particular case, shall be assumed by the President of the IFC Executive Council or another delegate selected by the Director of Greek Life.

**Ex-Officio Members**

The Director of Greek Life and IFC Parliamentarian are ex-officio members and advisors of the Judicial Board. These members will have the following responsibilities, as they pertain to complaints regarding fraternities:

1. To ensure that all fraternities are informed of relevant policies, University regulations and expectations, and applicable local, state, and federal laws;  
2. To investigate all complaints regarding fraternities;  
3. To facilitate the resolution of disciplinary problems;  
4. To assist the Vice President of Standards in the performance of his judicial responsibilities;  
5. To advise the Vice President of Standards in making arrangements for Judicial Hearings and preparing the hearing notices;  
6. To attend Judicial Hearings and serve as the advisor to the Judicial Board;  
7. To see that appropriate records are maintained, including a complaint log and the minutes of Judicial Hearings;  
8. To prepare reports for the appropriate University offices when necessary;  
9. To assist other University offices dealing with a fraternity complaint;  
10. To refer individual fraternity members to the appropriate University offices;  
11. To keep records of all complaints filed during summer and other extended class breaks.  
12. To ensure the Judicial Board Policy gets signed and dated after it is updated.

**Delegates**
Delegate serve on the Judicial Board panel that hears the cases referred to the Judicial Board by the Vice President of Standards. At such hearings, they shall review all evidence and question witnesses in order to determine the facts, and if necessary, impose sanctions. No two Delegates may be from one fraternity. No Delegate may serve in a Judicial Board hearing in which his fraternity is involved. Each Delegate must meet the following requirements:

1. Must maintain a cumulative grade point average of 2.5 or above;
2. Must be an initiated member in good standing with his chapter;
3. May not hold a major fraternity office (President, Vice President, Treasurer, Secretary, or Chairperson of Judicial Committee) or be on the IFC Executive Council.

Responsibilities of the Delegate are the following:

1. Attend the meetings of the Judicial Board;
2. To listen to the evidence and arguments during a Judicial Hearing and to cast a vote on the determination of guilt.

Each Delegate will be on the Judicial Board for a period of one year, or until he fails to meet the requirements listed above.

A Delegate that is absent, for more than two Judicial Hearings without adequate reason and prior notice, will be removed from the Judicial Board. A Delegate has the right to reapply and serve a second term. In the event of a missing Delegate, the Parliamentarian’s vote will be accepted.

Meetings
The Judicial Board will meet a minimum of two times a semester. A regular meeting time of the Judicial Board shall be set at the beginning of each semester and must be agreed upon by a majority of the members.

Complaints
All complaints regarding member fraternities shall be, filed with the Vice President of Standards and the IFC Parliamentarian, placed into the IFC Mailbox, or hand delivered to a Judicial Board Delegate. Any chapter or individual may register a complaint. A complaint must be filed within 14 working days of the event.

When a complaint is received, a representative of the accused fraternity may be called to meet with the Director of Greek Life and the Vice President of Standards to discuss the possibility of immediate solution to the complaint. Mediation between the accused fraternity representative and the complaining party may also be conducted in order to discuss and agree upon a mutually acceptable resolution. In this case, the Vice President of Standards and the Director of Greek Life will serve as the mediators and facilitators.

If University action against individual fraternity members seems appropriate, the Director of Greek Life may refer such persons to the Office of Judicial Affairs.

The Vice President of Standards in consultation with the Director of Greek Life shall determine on a case by case basis whether a case of fraternity misconduct will be referred to the Judicial Board. If the Vice President of Standards feels that a hearing is in the best interest of the fraternity system, he may refer a case to the Judicial Board even though the complainant desires that no disciplinary action be taken. The Vice President of Standards, after consultation with the Parliamentarian, shall have the option to bypass mediation if deemed necessary.

Judicial Hearings
The Vice President of Standards must give written notice to all parties involved at least seven days prior to the judicial hearing.
Judicial Hearings shall be held at the regular meeting times whenever possible. The Vice President of Standards, Director of Greek Life, and at least five Delegates eligible to vote must be present to hear the case.

Each Judicial hearing will be recorded both electronically and by the appointed Judicial Secretary who will take minutes of the hearing.

A standard of judicial procedures will be followed in order to ensure fair and timely judicial hearings. All hearings will follow the same West Chester University, Inter-Fraternity Council format. No Judicial Hearings will take place during finals week, or the week prior to finals week.

The Judicial Board will not act as a criminal court; it will act within the confines of the IFC Constitution and Bylaws.

Rights of the Accused
The accused fraternity has the rights of timely and proper notification of a hearing, a statement of charges, a report of facts on which a case is based, and will have seven days to prepare a response for alleged violations.

The fraternity has the right to call witnesses.

The representative of the accused fraternity has the right to be present to hear and question all witnesses, to examine all evidence presented to the Judicial Board, and to defend their position.

The accused fraternity has the right to have an advisor present during the hearing. The advisor may not, however, present evidence or make motions during the hearing even if the advisor is a lawyer. The representative must be a current undergraduate member of the accused fraternity.

Rights of the Complainant
The complainant reserves the same rights as the accused fraternity.

Witnesses called by the Judicial Board
Witnesses must receive notice to appear at least three working days prior to any hearing.

The Judicial Board has the authority to require members of fraternities to appear as witnesses. If a member of a fraternity fails to appear without adequate reason and prior notice, the fraternity chapter of the member may be referred to the Judicial Board for possible action.

Faculty/Staff members or students who are not members of Greek-letter organizations and others may be requested to appear as witness at hearings.

Witnesses shall not be placed under oath, but are expected to speak the truth. If it is found that a witness from a fraternity has clearly and deliberately lied to the Judicial Board, the Judicial Board shall take disciplinary action against the witness’ chapter.

Decisions
Guilt must be proven by “clear and convincing” evidence. This standard requires only that the Judicial Board members be convinced of guilt to a substantial level of certainty.
A decision of the Judicial Board must be by a 2/3 majority vote of those on the hearing panel and must be based upon the evidence brought out during the hearing and on prior precedent.

A written copy of the decision shall be given to the fraternity within ten working days of the hearing. The written copy will have the signatures of the IFC President, VP of Standards, and Director of Greek Life Programs. The decision letter should briefly state the basis of the finding of guilt or innocence, any sanctions imposed, and notice of the right to an appeal of the decision, including the sanctions. A copy of the decision letter shall be given to the Director of Greek Life, the fraternity’s chapter advisor, and placed in the respective fraternities file located in the Student Greek Life Office (RM 231).

**Sanctions**

The Judicial Board sanctions are educational in nature and will have a specific purpose. Sanctions will reflect the severity of each violation while attempting to correct the wrong doing.

The Judicial Board has the authority to impose any one or a combination of the following sanctions:

1. Any sanction outlined within the “Code of Student Life” for student organizations, including warning, probation, suspension from IFC, and dismissal from IFC;
2. Financial restitution;
3. Social service sanction, with the Judicial Board determining the total hour requirement and the compliance period (The Director of Greek Life shall approve the fraternity’s specific social service project.);
4. Suspension from specific IFC privileges, not to exceed one year.

All sanctions are to remain confidential and to be put into the IFC Judicial records with the decisions.

Failure to comply with a sanction within the time set by the Judicial Board will result in further judicial action resulting in a more severe sanction imposed.

Violations of IFC Policies are subject to sanctions outlined in those documents.

**Appeal Procedures**

A fraternity desiring to appeal a decision must give written notice of its intent to the IFC Executive Board within ten working days after receiving the decision.

The fraternity must state one or more of the following grounds for its appeal and all discussion during the appeal must relate to these grounds:

1. The sanction was unreasonable;
2. There is significant new evidence;
3. The findings were not supported by substantial evidence;
4. Unfairness of the judicial proceedings (This is only valid if technical departures or errors in the judicial proceedings were such that they prevented a fair and just determination of the issues.)

Any Judicial Board decision is subject to an appeal to the entire eligible Inter fraternity Council. A two-thirds majority vote of the total eligible IFC Presidential Roundtable shall be required to reverse or modify a decision of the Judicial Board. A fraternity involved in
the case, either as a complainant or the accused, shall not be eligible to vote on the appeal.

The appeal will be placed on the agenda of the next IFC Presidential Roundtable Meeting, providing notice is given to all parties involved not less than seven working days prior to the meeting. The IFC President will chair the proceedings of the appeal. The fraternity shall be granted the same rights as in the original Judicial Hearing. The Vice President of Standards will present the Judicial Board’s defense of its decision.

**Amendments**

Amendments or additions to this policy may be made by a majority vote of the entire voting membership of the Judicial Board and must be approved by a majority vote of the IFC Legislative body. Any approved changes may be applied directly to the text of this document. A revised and current copy must be delivered to each IFC member fraternity within 10 working days of any approved changes.

Article X. Risk Management Policy

West Chester University
Risk Management Policy of the Inter-Fraternity Council

Statement on the Future of Our Greek System

As every day passes, the Greek world is changing all around us. It is our responsibility to make the decision to take the actions that will ensure our future existence, not stand idly by while our system slowly dies. Fraternities and sororities continue to draw negative publicity every day due to allegations of:

- Underage Drinking
- Incidents of sexual assault
- Reports of Hazing
- Abuse of Alcohol
- Anti-Scholarship
- Racist attitude

TO ASSURE THAT OUR GREEK SYSTEM WILL CONTINUE TO EXIST, IT MUST BEGIN TO CHANGE

Statement on Chapter and Individual Responsibility

The Greek system, as well as the individual brothers and sisters that it is comprised of, will behave and operate in such a manner as to exhibit respect, care and concern for all. The members of the
Inter-fraternal council will openly oppose any behavior that is abusive in any manner, be it physical, mental, emotional, or sexual in nature. Any action that encourages, supports or is based upon any actions that can be deemed demeaning or dangerous to any other person must be combated by the members of our Greek system.

**Goal of this Policy:**
It is to be the goal of this policy to ensure responsible behavior by ALL members at ALL functions and events dealing with or sponsored by the Greek system. Furthermore, these events should be planned with safety in mind at all times, ensuring a safe environment for all members and guests alike. It is also to be the goal and responsibility of this policy to encourage all members to use alcohol in a LEGAL, RESPONSIBLE and SAFE manner, thus drastically reducing a member organization’s exposure to loss and liability.

**Definition of Terms**

**Risk Management:** This term is to be defined as the process of EDUCATION, REGULATION and ENFORCEMENT of all activities deemed unsafe by, but not restricted to, this policy, our Greek System, individual member organizations and the Greek Life Office. The reduction or elimination of high risk behavior through education is to be the most essential goal of Risk Management in this policy and in our system.

**Greek Social Event:** This term is to include, but is not restricted to; parties, mixers, brotherhood/sisterhood events and any other event that is 1) planned by a Greek member organization, 2) located at one of the registered residences of any member organization or 3), attended by at least 35% of an organization’s membership. (If the percentage of membership necessary to have a function deemed a social event by a member organization’s nationals is lower than 35%, then that is to be the figure upon which the status of an event will be based.) This term will also be referred to in this policy as a Social Event, Greek Event, Greek Function, and Member Organization Event.

**Chapter House:** A Chapter House is defined as any place of residence where five (5) or more members of any member organization are listed on a lease, mortgage, or any other legal document upon which official occupancy can be based. If the policy of the national organization of any member organization on this campus deems this number to be lower, it will be that lower figure upon which the status of a residence is to be based. This term may also be referred to as Chapter Premises in this document.

**Sober Monitor:** This term is to be defined as any individual who has been given the responsibility of acting as a sober internal monitor for any event. The term “sober” will be interpreted by this policy to mean that said individual has not consumed ANY drugs or alcohol prior to or during the event they are to be monitoring.

**Open Party:** This term is to be defined as any event that does not follow ALL of the guidelines set forth in the Procedures and Policies section of this Risk Management Policy. (See Procedures and Policies)

**Slush Funds:** This term is to be defined as any money collected by a member organization or by an individual of a member organization for the purpose of purchasing alcoholic beverages.

V. If the policies of a member organization’s national organization require that the actions of any member organization be under stronger restrictions than the above policies, then the policy of that national organization will take precedence.

Acting in a manner that is in violation of these policies shall result in a hearing before the Judicial Board, as stated in the Judicial Process section of this Constitution of West Chester University Inter-Fraterntal Council.

Article XI: Recruitment Policy

West Chester University
Recruitment Policy of the Inter-Fraternity Council
The premise of this policy is to provide a set of guidelines and regulations that will result in a positive and fair concentrated recruitment experience for all men’s social fraternities on this campus. To keep the procedures and policies simple, there will be only four main rules that will be adhered to. Those are:

**Section 1: No alcohol is allowed to play a role in the concentrated recruitment process.**

There will be no drinking with non-Greek males at any time during the recruitment period at the beginning of each semester. Rush officially begins when school is in session. Fraternities may not have open parties with non-Greek males until the end of the recruitment period is over. Those fraternities choosing to continue with rush after the formal rush ends; this chapter needs to adhere to this rule until they have begun their new member program.

**Section 2: Our community will support open bidding at all times, accept during designated closed periods.**

As of the Fall semester of 2004, West Chester University has supported and implemented the policy of continuous open bidding to any potential new member who meets the criteria established by the IFC and the Director of Greek Life and Student Organizations. This is true except for a time periods designated by IFC that is during the beginning weeks of rush. Starting from the day we return to campus for the semester up until the Monday before pinning day. Furthermore, the chapter extending the bid must have the established requirements completed before extending any invitation to new members. The criteria are as follows:

a. The chapter must have their new member education program and calendar turned into the Office of Greek Life and Student Organizations before extending an invitation to any potential new members.

b. The chapter must clear any potential new member through the Office of Greek Life and Student Organizations in order to ensure that the student has at least a **2.5 GPA** and has completed (or is scheduled for) at least 12 credit hours.

c. Each potential new member must attend one of the information sessions. If a new member cannot attend the sessions or is accepting a bid after the rush period, he must meet with the VP of Recruitment, pending valid reasons for missing the meetings. The decision on whether the new member will receive a bid shall be left to the discretion of the Vice President of Recruitment and the President.

**Section 3. No women are to be involved in the recruitment process.**

The young men interested in becoming a part of your chapter should be interested in your chapter for its brotherhood, not women. It is to each chapter's benefit to. Do not involve women in the recruitment process because of its ability to corrupt the judgment of a potential new member. This involvement will include, but is not limited to, planned events involving female students (Greek or non-Greek), **women at rush events (inside or outside the meeting)**, trips to any gentlemen’s clubs, the involvement of strippers at any function or home of a chapter members, etc.

**Section 4., Recruitment Advertisements**
Each fraternity will be allowed to hang flyers around campus, or the Director of Greek Life. These flyers must be hung in accordance with the current University policies. This also includes the flyers that are hung up in the residence halls, which are to be turned into the front desks of the residence halls to be hung by the Resident Assistants. Please note that fraternities no longer will be allowed to hang flyers in the residence halls. The Residence Life Staff is now responsible for hanging flyers.

The number of flyers (8 1/2 X 11) approved for posting for each fraternity on and around campus will not exceed 300 flyers. Eighty (80) may be approved for posting in the Residence Halls and Eleven (11) for South Campus Apartment Complex. All remaining flyers may be posted on and around campus on designated bulletin boards. NOTE: We also understand that some national offices supply official rush posters that might exceed the size limitation for flyers. For each of those larger posters, please subtract one from the 300 allotted.

Shirt designs will need to be approved by the IFC VP of Recruitment or Director of Greek Life before shirts are manufactured. This consistent way to advertise is an important vehicle and we must use it to our advantage.

Flyers are allowed to be handed out via “dormstorming” or other events. During “dormstorming”, please DO NOT post flyers. Only hand out flyers to prospective members. These flyers are NOT part of the original 300 approved “Posting” flyers.

Chapters wishing to “Dormstorm” must meet with the Director of Greek Life to receive permission and to complete the paperwork. Chapters found in residence halls without this paperwork are subject to judicial action by the Office of Residence Life and Housing Services.

Business cards for Chapter Rush Chairs are allowed.

Section 5. Guidelines for Fraternity Open Houses sponsored by the Interfraternity Council (if applicable)

Process: The intention of a Fraternity Open House is to promote Greek Life in general as well as to promote individual chapters. By building our Greek system as a whole, we will ultimately be improving our individual chapters.

Dress: Since we are representing the Greek community, and more importantly, trying to sell the Greek community, the IFC recommends that each chapter take their appearance into consideration. However, the IFC leaves the issue of dress for the Fraternity Open Houses up to each individual chapter.

Display: Feel free to bring awards, trophies, flags, and banners. Your national organization has numerous marketing pieces that you can also have at your table. It is a good idea to bring a laptop to the event whereby you can exhibit your national's web page. Copies of your rush schedule should be available. Pictures may be displayed as long as they are in good taste and free of alcohol.

Occupancy: Please remember that it is very intimidating to approach a table full of men who already know each other. It is up to each fraternity to determine how many people they will have present at their table, but IFC recommends no more than three men representing the fraternity at any one time.

Requirements:
- Must be a committee head or executive board member
- Cannot hold the position of Recruitment chair or President

2. The complaint is then passed along to the IFC Executive Board, who determines the legitimacy of the suspected violation and then schedules a time to meet with the accused fraternity to hear the issue.

3. The IFC Executive Board will then meet with the accused fraternity in order to ascertain responsibility or innocence. They will then convene to come to a decision, based on a majority vote of those officers present, and will contact all parties involved.

4. If found responsible, the accused fraternity has the ability to appeal this decision to the Director of Greek Life who will have the final appeal decision.

Penalties: Each rule will have its own set of fines that will be imposed on any chapter found guilty of violation(s). If a rule is broken twice in one semester, there will be additional sanctions placed on the responsible chapter. Violations of the following rules will result in the following fines:

Alcohol: Violation of the no alcohol policy rule will result in a fine of $200.00 if found responsible. A second violation of the no alcohol policy will result in an additional $200.00 fine as well as, a letter sent to their national headquarters.*
**Bids:** Violation of the requirements to extend a bid to a potential new member will result in a $50.00 fine for the first violation and a loss of intramurals play for one month if violated a second time.*
