HOUSING WAITLIST INFORMATION
2019-2020

Timeline:

March 25 – April 5: Students who had complete applications but were denied North or South Campus Housing can complete a priority waitlist application, using current residence criteria. This is not first-come, first-served, so just come when it is convenient for you. After April 5, students will be considered on a first-come, first-served basis.

Wednesday, April 24: Waitlist applications will be available on a first-come, first-served basis for all other students still interested in on-campus housing.

On-going through the Summer: Students will be updated via e-mail regarding the status of the waitlist and/or housing offers.

Process:

- Priority waitlist applications will be available for students who were eligible but denied North Campus Traditional and/or South Campus Apartments starting on March 25, 8:00 am – 4:30 pm. Priority will be given to students who are current traditional residents. This not a first-come, first-served process for this group of students – you DO NOT NEED to rush to 202 Lawrence as the priority on the list is pre-determined. Students who were previously denied housing just need to come in to 202 Lawrence during business hours to complete a waitlist application sometime between March 25 and April 5. We encourage you to come in during the week of March 25 so that we know if you are still interested in housing.

- The waitlist is for current students seeking spaces in the North Campus Traditional residence halls or the South Campus Apartments. College Arms spaces are not available at this time and do not typically become available.

- Waitlist applications will be available to all students starting on Wednesday, April 24, and will be distributed in a first-come, first-served, numbered order. Numbering of applications will begin after the series of numbers that were reserved for students who were previously denied housing.

- The deposit requirement will be determined based on timing of housing offers.

- Students who require local housing in order to attend West Chester University are encouraged to pursue other options, including University Student Housing communities or off-campus housing.

- If spaces are available, students will be contacted via e-mail and will generally have 48 business hours to respond to the offer. During the last three weeks of August, a response may be required within 24 hours. Students should check their WCU e-mail daily Monday—Friday to ensure they do not miss an offer of housing.
