

**Steps on How to Access you Daily COVID-19 Symptom Screener Questionnaire**

To access your daily COVID-19 Symptom questionnaire, please go to WCU Student Health Services website and access your Web Portal as seen below.  
[https://www.wcupa.edu/\\_services/studentHealthServices/](https://www.wcupa.edu/_services/studentHealthServices/)

**\*\* (This will be under Menu For Student Health Services on your Smartphones and/or other mobile devices.) \*\***

You will be using your WCU login credentials to access the Web Portal. After logging into your Web Portal, you will see the following screen. In the left menu column, you will see all your pending messages, forms to be completed, and survey forms. On the right side of the page, you will see your badge status. If you click on the “Show Badge” button, you will have a badge display available. This badge can be displayed on your mobile device if needed.

Welcome to the WCU Student Health Services Web Portal.  
**If you have a medical emergency, please dial 911**

The Web Portal offers many student services:

- Self-scheduling for immunizations and TB skin testing appointments.
- Sending and receiving secure messages to Student Health Services.
- Completing required medical information for incoming students - see Forms in box on left.
- Viewing and printing a copy of the student's health center account and/or immunization record.
- Editing your profile to include preferred name, gender identity, preferred pronoun and/or edit your contact information - see Profile in box on left.

If you need any assistance with the Web Portal or would like an appointment, please call Student Health Services at 610-436-2509.

**[Advanced Options]**  
You are seeing this link because your patient record is configured as a testing record.

[Version: 12.11.5149]

When you click on Survey Forms in the menu, you will be able to access your survey and complete the COVID-19 Screening Questionnaire daily.
