To remain in compliance with Federal Financial Aid, we are required to indicate the last date of attendance for all students receiving a grade of 'F' or 'Z' during the semester. The last date of attendance can have a large impact on students and their financial aid award, therefore we ask all faculty to be as accurate and thoughtful as possible, taking into consideration in class participation, online involvement, submitted assignments, communication, etc.

After a grade of 'F' or 'Z' is entered, the 'Last Date of Attendance' column will become available to populate. If the student has never attended or participated in class, please enter the first day of the semester as the last date of attendance.
