

Introducing Single Sign-On for myWCU

Effective Monday December 28th when you go to the myWCU homepage (my.wcupa.edu), you will need to indicate your role before signing in.

- All WCU students, faculty and staff will select the first role.
 - This is true for both active students and prior graduates.
 - Once you select WCU Student/Faculty/Staff login you'll be brought to the West Chester University single sign-on page:
- Those with access to myWCU via our Parent Portal will select the Parents Login
- Guests, or those without a myWCU account can search classes and the course catalog by selecting Guest Login.
