

**LITERATURE CATEGORIES (AMERICAN, BRITISH, WORLD)
FOR TEACHER EDUCATION STUDENTS**

All Teacher Education students must take at least one course from each category below as they complete their tracks. This requirement overlays the track requirement, so you should choose your track courses with these requirements in mind. If you choose track courses carefully, you will not have to take three more classes to fulfill your American, British, and World literature requirement. This requirement exists to help prepare you for your Praxis II exams, which require familiarity with all three literature categories. Film classes are not included, because the Praxis II does not test film knowledge.
