Chester County Intermediate Unit Migrant Education Program

The Chester County Intermediate Unit (CCIU) Migrant Education Program (MEP) provides supplemental academic and social support to the children of migratory farm workers. The CCIU MEP is in search of a student to fill a non-paid bilingual English/Spanish internship. We can accept an intern in the fall and spring semesters, as well as during our five-week summer program to begin on June 25, 2012. Candidates should be comfortable working with students of all ages including preschool children, ages three to five years old and school-age students in grades K-12. The bilingual internship is offered to education and non-education majors alike.

Summary of Internship Position: To assist MEP Student Support Specialists and teachers with a variety of activities and subjects including but not limited to math, reading, science, ESL, field trips and overall supervision of students.

Internships are available at the following locations:
