When: Saturday April 16, 2016, 8:30AM to 2:30PM

Where: Graduate Business Center, WCU

1160 McDermott Dr. West Chester, PA, 19380

Saturday April 16, 2016

This year's TALFL Conference is designed to provide a platform for an exchange of views and sharing experiences on the teaching practices that promote language learners' development in the classroom. The conference welcomes presentations that address students' needs and teachers' actions that enhance students' language development. The topic of goal setting and attainment can be examined in a wide range of areas of language learning, including (though not limited to) teaching methodology, materials development, assessment and learning, and technology.
