What you need to know: SAP course

Want to take SAP course? Not sure what SAP course is? Here are what you need to know.

What is SAP?

SAP stands for System, Applications, and Products in data processing. SAP is the global leader in ERP (Enterprise Resources Planning) software, with 440,000 customers in more than 180 countries.

What is SAP integrated course?

As a member of the SAP University Alliances program, West Chester University's Department of Management began offering the SAP program in Fall 2020. Currently, the department offers four SAP-integrated courses in our current program and one is forthcoming. Courses include MGT 341, MIS 300, SCM 351, SCM 361, SCM 381, and SCM 391. They are part of SCM minor program (see Advising Guide for more information) but are open to students with any majors.

What you are expected when you take SAP-integrated course?

During SAP session, you are expected to work *diligently* to complete SAP navigation and one of SAP modules using Global Bike case study for normally 2-3 weeks. Below you will see the different SAP modules that will be covered in different courses.

MGT 341	*Prod.& Oper. Mgt. (SAP Production Planning and Execution, PP module)*
MIS 300[1]	*Intro to Mgt. Info. Systems (SAP Sales and Distribution, SD module)*
SCM 351	*Supply Chain Mgt (SAP Material Management, MM module)*
SCM 361	*Principles of Project Mgt (SAP Project Management, PS module)*
SCM 381	*Quality Mgt. (SAP Quality Management, QM module*)
SCM 391	*Purchasing & Procurement Mgt. (SAP Customer Service, CS module)*

- Watch this video if you want to see what SAP module looks like.

What benefit will you have when you take SAP course, instead of regular course?

Students who complete **three** of these SAP-integrated courses with a grade of "C" or better are eligible to receive the SAP Student Recognition Award Certificate.

Feel free to contact me if you have any questions.

Mark Yang, Ph.D.
Associate Professor of Management
College of Business and Public Management
SCM Major/Minor Advisor
SAP Program Director
Office: BPM Center 470; Phone: (610) 436-0025; myang@wcupa.edu

[1] Note that MIS 300 taught by Prof. Tim Rutherford will not cover SAP SD module but will cover more comprehensive topics such as basic SAP ERP navigation, ERPsim, and ScrimmageSIM.
