

## Honors Education Majors Selection of HON 312 and/or HON 322

1. All Honors College students must complete either HON312 – *Educational Systems and Social Influence* or HON 322 – *Developing Leadership with English Language Learners (ELLs) in the Classroom and Community*.
2. Students in education tracks have the following options:
  - a) Those required to take EDF 300 can meet that requirement with HON 312
  - b) Those required to take ENG/LAN 382 can meet that requirement with HON 322
  - c) Honors students can take both HON 312 and HON 322

Below is a chart that indicates the various teaching certification programs. Requirements within each major for EDF 300 and/or ENG/LAN 382 are indicated with an (x). NOTE: those students in these majors and NOT seeking education certification may select either of the HON classes.

Major	HON 312 required - covers EDF 300	HON 322 required – covers ENG/LAN 382
