**Elective Options**

Students are required to take three elective courses, which are offered in a variety of formats and throughout the year. Electives may be taken at either the Philadelphia or West Chester campus. With permission from your advisor or Graduate Coordinator, you may also take graduate courses offered by other departments to count toward elective requirements. To enroll in a course outside of the MSW department, you must contact that department or the professor of the course you wish to take.

See separate elective lists for course offerings.

\*Online options may be available, depending upon instructors' chosen delivery methods and available seats.

**Students MUST register for the same section of Practice and Practicum courses.**

**For example, if you are registered for SWG 501-80, you must register for SWG 596-80.**
