Help Wanted!

Physical Therapy & Wellness Institute (PTW) is seeking team-oriented and energetic individuals who are capable of multitasking and working at a fast pace. Individuals will primarily be interacting with patients and physical therapists throughout the day.

A Bachelor's Degree in Exercise Science or a related field is REQUIRED and experience in physical therapy is preferred as the individual will be working as an Exercise Physiologist in our outpatient physical therapy clinic.

The ideal candidate will have strong interpersonal, clinical, and organizational skills and enjoys working with a diverse population.

PTW is a Physical Therapist owned and operated fitness and rehabilitation center located in Lansdale, Quakertown, Montgomeryville, West Norriton and Glenside. We offer state of the art equipment, heated therapeutic pools for aquatic therapy, Alter G, supervised fitness and much more. Please visit www.ptwinstitute.com for more information about our facility.

We offer competitive compensation. Interested candidates are encouraged to email their cover letter and resume to Mary Kate Doyle, Assistant Office Manager, at MaryKate.Doyle@ptwinstitute.com. This is for part time with potential for full time after 90 days with health benefits, 401k, long term disability, etc.
SECRETS TO OUR SUCCESS

PROGRAMMING
Power Train is always focused on the WHY. Every program is customized to each individual client’s needs and goals. We identify the person's strengths, weaknesses and imbalances to create a personalized program to maximize results.

COACHES

Power Train isn’t just strength training. It’s inner strength training. We aren’t just about building muscle. We build character. This is your go. Your push to do more. To go further. We’re not just shaping bodies here – we’re shaping the way people live. Because at the end of the day, nothing helps you see the world differently, more positively, like the lens of confidence.

This is your go. Your green light. Your time to prove yourself. To rise above even your own expectations. This is it. Don’t just stand there. Embrace your ambitions. Rise up. Take on the world. Go.

CONFIDENCE IS THE KEY TO ALL LOCKS™

#ThisIsYourGo www.powertrainsports.com
WHY POWER TRAIN?

Power Train Sports & Fitness is focused on individual achievement through personalized, results-driven sports performance and fitness training programs. Made up of dedicated, skilled coaches who utilize their athletic experience to enhance the abilities of each client, Power Train creates the optimal training environment for success. For more information, visit www.powertrainsports.com.

POWER TRAIN SPORTS™

Power Train Sports Programs are specifically designed to help clients of all ages exceed their goals and take their game to the next level. Our proprietary training program includes:

• Individualized programs
• Small group 3:1 client to coach ratio
• Customized nutrition plans designed to maximize performance and body composition

Power Train’s clients take advantage of the same training protocols that our professional athletes use to improve their strength, speed and performance. Our programming is customized for every client, age, sport and fitness level.

POWER TRAIN FITNESS™

Power Train Fitness delivers results! The goal of our small group fitness classes is to keep the focus on the client, rather than the routine. Power Train Fitness sessions are designed to be engaging, maximize fat burning and increase metabolism. Our proprietary classes include:

• Heart-rate based interval training
• Personalized training with a 12:1 client to coach ratio
• Combination of Maximum Aerobic Performance, Tabata, strength and lactic principles
• Convenient 45-minute class formats

Personal Trainer Career Description

Wyomissing Fitness and Training: Full time Personal Trainer
www.wyofitness.com

We are a private locally-owned fitness center in Wyomissing, PA. We opened our doors four and a half years ago and have since doubled our size to 20,000 square feet. Our company has solidified itself as a reputable wellness option for our community. Our business is not run similar to a franchise gym and our personal training department, as well as the clients, absolutely benefit from this.

We hold our personal training department to an extremely high standard. Selecting a new trainer to bring on staff is a move that we take serious. Ideal candidate is an individual who can work within a team environment. The potential candidate is a voracious learner and continues to improve his/her professional craft with a profound passion for the health/fitness field. Our personal training department is growing and are you able to work long hours and the flexibility with your schedule. Self-motivating and punctual are key attributes as well.

Qualifications:

B.S. Kinesiology or Exercise Science degree

Certifications or completing certifications:
ACSM – EPC
ACSM - CPT
NSCA CSCS
NSCA CPT
NASM CPT

Current:
CPR/AED
First Aid
