The Nutrition minor at West Chester University (WCU) is designed to impart fundamental nutrition knowledge and an interdisciplinary understanding of the relationship among nutrition, health, physical fitness, and well-being. The minor will provide learning experiences that build upon and integrate knowledge from supporting disciplines. The curriculum focuses on nutrition with an emphasis on the application of knowledge regarding the maintenance of human health and well-being throughout the life cycle.

A minor in Nutrition requires students to complete two required courses, NTD 303 and NTD309. Four additional “NTD” courses must be completed for a total of 18 credit hours. A “C” grade or better must be earned in each of these courses before clearance for graduation with the minor will be granted.

- Other NTD elective courses that can be taken in consultation with the Nutrition Minor advisor.

**Note:** At least 50 percent of minor course work must be taken at WCU.

### Procedures for Declaring and Graduating with a Nutrition Minor

Students who want to minor in Nutrition must:
1. complete an Application for Minor form;
2. consult with the Nutrition Minor advisor;
3. consult with the major advisor, obtaining their approval and required signature to minor in Nutrition;
4. obtain their Department Chairperson’s signature on the Application for Minor form;
5. obtain the Nutrition and Dietetics Department Chairperson’s signature on the Application for Minor form (HSC 222); and
6. Submit the completed Application for Minor form to the Office of the Registrar.

During the process of graduation clearance, the Office of the Registrar will contact the Department of Nutrition for your minor clearance. Before graduation from the University is granted, either the requirements for the minor must have been met or you will need to have removed the minor from your program (refer to the Remove a Minor Form).

Should you have questions, feel free to call (X3113), e-mail (swalz@wcupa.edu), or visit with Dr. Sandra Walz (HSC 222C), Nutrition Minor Program Advisor.
