

WCU STUDENT TECHNOLOGY WEBINARS FALL 2022

WCU TECHNOLOGY RESOURCES OVERVIEW

Learn about the availability of technology and learning resources for students at West Chester University. Included in this session are the RamTools such as RamCast, RamPrint, RamCloud and RamNet.

WEDNESDAY, AUGUST 31 | 3:00-3:30 PM

INTRODUCTION TO OFFICE 365 & ONEDRIVE

This session will introduce Microsoft Office 365 tools, accessible in the cloud and on your device. Learn how to login, use MS Tools & OneDrive, the cloud based file storage system with options for editing and collaboration.

TUESDAY, SEPTEMBER 20 | 3:00-3:30 PM

RAMCLOUD VIRTUAL DESKTOP OVERVIEW

Learn about the RamCloud Virtual Desktop Infrastructure (VDI) to access certain WCU licensed software from any device, anywhere to complete assignments and research.

THURSDAY, OCTOBER 20 | 3:00-3:30 PM

GET TO KNOW LINKEDIN LEARNING

Check out LinkedIn Learning, your access to more than 250,000 high quality on-demand, creative, business and technology training videos. You will learn how to get the most from your LinkedIn Learning experience.

TUESDAY, NOVEMBER 15 | 3:00-3:30 PM
