FACULTY

CAMPUS LOCATION AND FACILITIES

West Chester University is located in southeastern Pennsylvania, 35 miles west of Philadelphia. The University is nestled in the historic borough of West Chester.

Residents are housed in a residence hall adjacent to the dining hall, a short walk from Swope Music Building. All residence hall rooms are double occupancy with males and females located on separate floors. Institute counselors reside in each wing.

SOCIAL AND RECREATIONAL ACTIVITIES

Supervised events include volleyball, a scavenger hunt, a pizza party, and other activities.

SCHOLARSHIPS

Several $100 scholarships (made possible through the generous support of our former director, Dr. Ken Laudermilch) may be available to students who submit (1) a letter requesting financial assistance and (2) a letter of recommendation from their high school music teacher. All materials (including the application and deposit) must be postmarked by May 11th in order to be considered for a scholarship.

Students who will graduate high school in June 2021 are eligible for Rising Senior Scholarships, as well as a pre-screening WCU Wells School of Music entrance audition. Please visit www.wcupa.edu/SummerMusicCamps for more information.

Honors Track

An honors track is available for advanced students. Honors track students will be placed in advanced chamber ensembles (e.g. woodwind trio, brass quintet, string quartet), or they will be guaranteed a performance on the evening solo recital.

Honors track applicants must submit a private/unlisted YouTube recording of two contrasting etudes or solo works on their primary instrument. The audition video, along with the student’s application and deposit, must be submitted by May 22nd. Please email your YouTube video link (for a private/password-protected video) to summermusiccamps@wcupa.edu on or before May 22nd.
