

Purchasing Card and Travel Card Policy

Accommodations for individuals with disabilities in accessing these policies are available upon request by emailing accessiblepolicy@wcupa.edu

Purpose and Scope

To establish a methodology for use and define the limits of the West Chester University (WCU) issued Purchasing Card (P-Card) and Travel Card. The cards are provided to certain WCU employees and are for official WCU use only.

Policy Statement

The WCU P-card delegates limited purchasing authority directly to the cardholder. Rather than requiring a requisition and purchase order, the card enables quick and convenient purchase of low dollar goods from any merchant that accepts MasterCard. Cardholders are reminded that the card mainly is to be used for the purchase of goods. The card also may be used for some small dollar services under \$5,000 with the approval of the Purchasing Department. WCU reserves the right to terminate individual P-Card privileges at any time.

The WCU Travel Card allows employees on WCU business to charge travel expenses to the card rather than using personal funds. Cardholders are reminded that the card is to be used for employee expenses only incurred while traveling on behalf of WCU. The travel card may not be used to purchase goods or services and may not be used for personal purposes. WCU reserves the right to terminate individual travel card privileges at any time.

Procedures

1. GENERAL GUIDELINES

- a. P-Cards and Travel Cards must be used in accordance with the Commonwealth, Pennsylvania State System of Higher Education (PASSHE) and WCU policies and procedures.
- b. Qualified departmental purchases with a value of \$4,999 or less may be charged to the card.

2. ELIGIBILITY

- a. WCU employees with an appropriate budget (as noted in section 7, **CARD LIMITS**) are eligible to request a P-Card with the approval of the manager of the cost center to which the card transactions will be expensed.
- b. If the cost center manager is the person requesting a card, then the direct supervisor must approve the request.
- c. It is not necessary for every departmental employee to have a P-Card. Typically, the individual enrolling in the card program is the person making the majority of departmental purchases.
- d. WCU employees are eligible to request a travel card with the approval of the direct supervisor.

3. [REQUESTING A P-CARD or A TRAVEL CARD](#)
