Purpose and Scope

This Policy applies to all individuals, Student Organizations, or West Chester University departments and colleges interested in advertising in Sykes Student Union. Advertising in this Policy is defined as indoor flyers and banners that are hung throughout the building.

Policy Statement

Postings are limited and must be approved for display around Sykes Union. Approval is granted through the Sykes Union Information Desk Staff. Banners may be hung inside of Sykes Union upon request in the designated reservation system. Banners may be restricted in size and length of time displayed per current procedures.

Procedures

Flyers are approved at the Information Desk. A Sykes Student Union Staff member will review the flyer and stamp for approval along with a date of removal.

UNIVERSITY POLICY

Banners, unlike flyers, require a reservation and cannot be obtained by reserving the banner space through the campus reservation system. It is the responsibility of the organization to hang and remove banners. Any banners removed by Sykes staff may result in the banner being discarded.
